MEMORANDUM

TO: Alcoholic Beverage Control Board

DATE: Thursday, June 19, 2025

FROM: Joe Bankowski, Enforcement Supervisor

RE: Enforcement Report, Alcohol

AMCO Enforcement significantly increased compliance activity over the past two months, with just over 300 licensed premises inspections completed. We continue to respond to complaints, answer questions and investigate observed and reported violations. Despite the travel limitations imposed by AO 358, we anticipate the trend of increased inspections to continue.

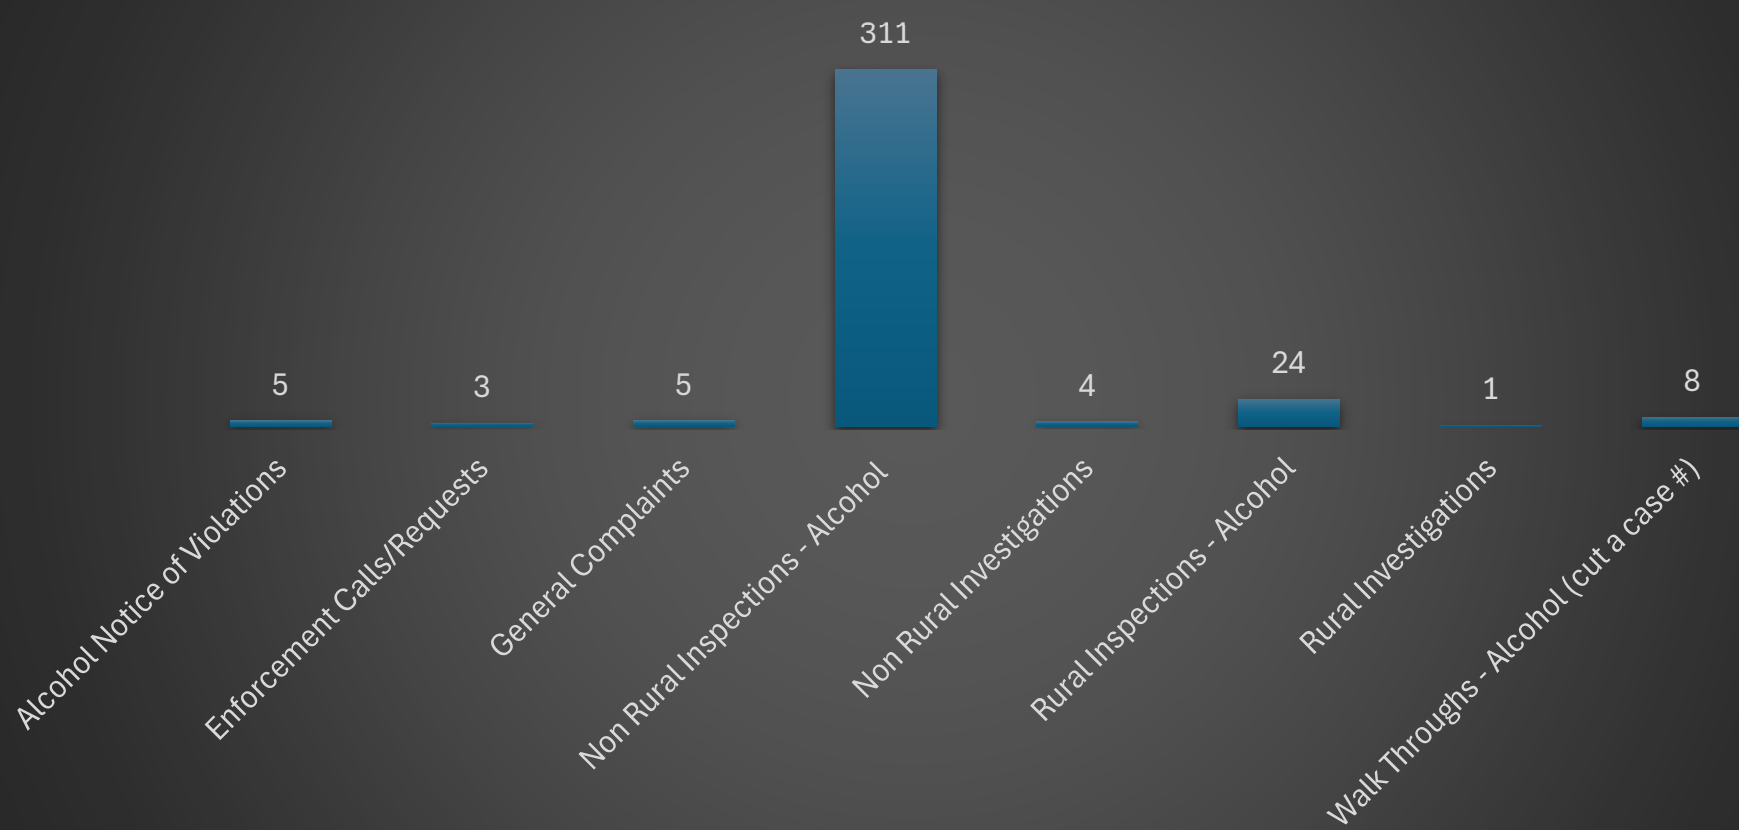

The vacant Special Investigator 1 recruitment was also affected by AO 358, which included a hiring freeze. We received a waiver on 6/12/25 and are working with Human Resources to fill the position as soon as possible.

Integration with the AK-ACCIS system continues. Enforcement has been working closely with Gov2Biz over the past two months to develop the enforcement portal, which includes case management functionality. We expect user acceptance testing to begin in early July.
