Hello,

In regards to the Notice of Violation, we just wanted to be sure that the confirmation of the server's updated TAPs card was received. Additionally, monthly audits are being completed to ensure that all team members have their current TAPs card and any upcoming expiring cards are resolved proactively. We have also reviewed with every service team member the requirements to have their valid TAPS card on their person at all times. If they don't have it, they cannot work.

On 8-5-25, an inspection was conducted at your facility. The person behind the cash register, Andrew L. Skaflestad, was asked to provide proof of server education. He stated he wasn't selling alcoholic beverage; rather he was watching the counter while a co-worker mopped the floor. His ID and server card were checked. Skaflestad provided TAP Card, #306408, which had expired 7-22-25. He was not cited since he said he was assisting the other employee by watching the counter. The following day, Inv. Hamilton contacted Store Manager G. Buck, and she allowed him to look at the video from the previous night. Ms. Buck also stated she had removed Skaflestad from the liquor store to the grocery side because he had expired server education. The video showed that prior to Inv. Hamilton's arrival, Skaflestad was selling alcoholic beverages. When Skaflestad arrived back to work, he was cited for expired server education.

AMCO Case #25-1107

License # 176

Hello,

I am Ginger Buck, Valley Breeze In Store Manager responding to the Notice of Violation.

Andrew "Krage" Skaflestad has been recertified. At 7:38pm 8-5-25 he signed up to take the TAP test. When he returned to work on 8-6-25 he had already taken the test and passed. His certificate was printed and placed in the Liquor store on the 6th. He has since received his new TAP card, and it is on file on the Liquor side with his ID as of 8-19-25.

I have a tracking program in place that will insure all new and current employees will be certified prior to any shift on the Liquor side. I am shutting Liquor down if we do not have any TAP certified employees.

I have also held a staff meeting so all employees on all shifts are aware of how important it is to stay in compliance and not step over to the Liquor side for any reason unless they have a valid TAP card.

Please let me know if you need anything else from me or my staff.

Thank you,
Ginger Buck

To whom it may concern:

Please accept this letter as an explanation of how we are taking more steps to prevent the re-occurrence of this violation.

With a large turnaround of employees (especially in the summer months) and the new test online, we have added the following steps to our procedures. Entering more notes on their payroll of when they are hired, when the class needs to be completed and having a red flag as to when the course is taken. With the new online course, it has been more confusing for some employees to complete and as an employer we have been walking it through with them to make sure it is done.

Thank you for your time and consideration.

I am writing this letter to explain the violation, I did not know that 16 year olds needed a work permit, that is my fault, I really thought it was for 14 & 15 year olds, but now that I know it will never happen again, I did respond right away and Davin did get his work permit as soon as possible, I complied right away and got it straightened out as soon as I knew.

Again, I am sorry that this happened and it will never happen again.

Notice of Violation

(3AAC 304.525)

This form, all information provided and responses are public documents per Alaska Public Records ACT AS 40.25

Date: 8/11/25

License #/Type: 2728 Beverage Dispensary

Licensee: David McGivney

Address: 9101 Mendenhall Mall Road, Juneau, AK, 99801

DBA: McGivney's Sports Bar & Grill

AMCO Case #: AM 25-1099

This is a notice to you as licensee that an alleged violation has occurred. If the Alcoholic Beverage Control Board decides to act against your license, under the provisions of AS 44.62.330 - AS 44.62.630 (Administrative Procedures Act) you will receive an Accusation and Notice of your right to an Administrative Hearing.

Note: This is not an accusation or a criminal complaint.

On 08/05/2025, AMCO Investigators Linger and Hamilton entered McGivneys Sports Bar & Grill to conduct a routine inspection. Investigator Linger contacted owner/licensee David McGivney, and Investigator Hamilton contacted employee/server Beau Smith. Both McGivney and Smith provided expired (03/20/2025) alcohol server education cards. When asked about renewing, McGivney initially stated he attempted to upload his ID to CHARR around June of 2025, but was unable to do so and just gave up. McGivney later stated he did contact CHARR and was walked through the process but it still wouldn't work, so he gave up. This is in violation of the below referenced Alaska Statute, and Alaska Administrative Code.

This is in violation of:

AS 04.21.025 Alcohol server education course (a)(c), 3 AAC 305.700(a), and AS 04.16.150 Licensee responsible for violations

AS 04.21.025(a) Except as provided under (e) and (f) of this section, as a condition of issuance or renewal of a license or conditional contractor's permit and selling alcoholic beverages under a license or conditional contractor's permit, the board shall require a licensee or permittee who sells or serves alcoholic beverages and a licensee's or permittee's agents and employees who sell or serve alcoholic beverages or check the identification of a patron to complete an alcohol server education course approved by the board.

(c) A licensee, permittee, agent, or employee shall complete the course required under (a) of this section and pass a written test, online or in person, demonstrating an understanding of the course subjects not more than 30 days after being licensed, permitted, or employed. The course provider shall issue a card to each individual who completes the course and passes the written test. A card issued under this subsection is valid for three years from the date of issue. A licensee, permittee, agent, or employee may renew a card issued under this section; to renew the card, the licensee, permittee, agent, or employee must pass a written test demonstrating an understanding of the course subjects. Notwithstanding the 30-day period 95 for completing the course and passing the written test under this subsection, a person may not sell or serve alcoholic beverages or check the identification of a patron at a permitted event under AS 04.09.600 - 04.09.690 unless the person possesses a valid card issued before the event.

3 AAC 305.700. Alcohol server education course. The card is effective for three years from the date of issuance during which time the person shall complete another approved course or successfully complete a written test demonstrating an understanding of the course subjects as required by AS 04.21.025(c). The card must include the name and date of birth of the card holder, the name of the course, and the date of expiration of the card. If the card does not include a photograph of the holder, the person shall also carry a valid identification under 3 AAC 305.800(b). The card or a photocopy of the card must be shown upon request of a peace officer or board representative. If the person cannot show a current card or a copy of it on file on the premises or show a date of hire less than 30 days earlier, the person shall immediately cease selling or serving alcoholic beverages or checking identification.

AS 04.16.150. Licensee responsible for violations. (a) A licensee may neither knowingly allow agents or employees to violate this title or regulations adopted under this title nor recklessly or with criminal negligence fail to act in accordance with the duty prescribed under AS 04.21.030 with the result that an agent or employee of the licensee violates a law or regulation.

(b) Except as provided under AS 04.16.030(f) and 04.16.052(e), a licensee who knowingly violates (a) of this section commits the offense of failure to ensure compliance.

(c) Failure to ensure compliance is a violation.

I am responding to you on my Notice of Violation, AMCO Case # AM 25-1099.

I will take full responsibility for myself and my employee for having just recently expired TAPS cards. Since then myself and Mr. Smith have updated our Taps cards with the help of CHARR on our file also as everyone on my staff that is working is current. We are also holding a meeting this Sunday to go over protocols for a revisit. Unfortunately, there has been a change in my current management position which always handled the paperwork of our employees on this matter. While I've prided myself and my staff for staying on top of things for over the last 15 Years and 5 Bar/Restaurants with 100's of Employees in the city of Juneau without 1 Single Violation, It's very insulting to me that Investigator Lingor would use the words (Just Gave Up) to describe my position and explanation in his report because that was never the intent. I hope this suffices the steps I have taken to satisfy your concerns in regard to my License # 2728 Beverage Dispensary. Thank you for your time. If you have any questions for me, I can be reached at 907-723-9187 at any time. Thank you again.

Dear Officer Linger and Officer Hamilton,

Alaska State Fair, License 39, received a notice of violation on August 25, regarding an incident on August 23. The bartender involved was carrying an expired TAP card while working at the Waterin' Hole on the Alaska State Fairgrounds. The bartender was under the assumption they had a thirty-day grace period as a new hire. We all understand now that although we hire all staff members as new hires each year, they are not recognized as new hires by AMCO.

Usually, people can only work a week or two at the fair. With the Fair now lengthened to three weeks, we must double the average thirty staff we used to hire. So, each June/July we hire, as new-hires, approximately 70 staff members for the Beverage Department. Our current process is to make a photocopy of everyone's TAP card and put it in their file. When we see a card that is near expiration, we remind the person that it must be renewed prior to opening day of the fair. This person was reminded but we were remiss in following up on to ensure it was done.

To ensure this will not happen again, in addition to photocopies of the TAP cards, we are adding a column to our spreadsheet of staff members that lists the expiration date of their TAP card. This will provide easy access to see who we need to keep track of each year. We will refer to the spreadsheet a week prior to opening and make a list of any cards that are close to expiring. We will not schedule anyone who has not stayed on top of their card status.

SINCERELY,

Good Afternoon,

It has come to the attention of the Alcohol and Marijuana Control Office that the Matanuska Brewing Company, Eagle River License #4173 is currently operating under the Doing Business As: Eagle River Alehouse.

Current records confirm that a name change request had not been submitted by Matanuska Brewing Company, Eagle River #4173.

If you wish to operate under Eagle River Alehouse a name change request must be submitted

The license # 5639 is a Multiple Fixed Counter Endorsement formerly a duplicate license is under the trade name Eagle River Alehouse but that is not the Primary Beverage Dispensary License # 4173 DBA (Doing Business As).

If there is a reasonable explanation for this current circumstance please advise this office.

On 07/17/2025 Inv. Murray conducted a restaurant designation endorsement inspection at Saint Coyote Restaurant and lounge. Inv. Murray asked Jose Gallo, the owner if he had anyone 17 years of age or younger working for him. Jose stated that he had one S. G. his nephew. Jose stated that he was not sure if he had a Department of Labor permit for S. G. because he was hired before Jose became 100 percent owner. Jose called S. G. to confirm his age. Jose Gallo said he was 17 years old. Inv. Murray asked Jose to look for the DOL permit and get back to him the next day. Inv. Murray called Jose on 07/22/2025 because he had not heard from him. Jose stated that he didn't have a permit for S. G. Inv. Murray sent a demand letter for employment records giving Jose Gallo 10 days to produce the records. AMCO's Enforcement email received an email containing an I-9 for S. G. DOB 10/06/2005. Jose listed the hours S.G. worked starting in February 2024 and ending in July 2025. Jose was unable to provide dates because S.G. would just fill in for people randomly. Adding up the total hours worked comes to 1034 hours. If you divide 1034 hours by an eight-hour per shift that is 129.25 shifts in one year and 7 months without a work permit.

Re: Response to Notice of Violation for Alcohol License #5516 Restaurant Eating Place

Dear Mr. Hamilton:

I represent Ms. Dodds and Mr. Bridges, the owners of the White Spot Café, who have hired me to respond to the Notice of Violation for Alcohol License.#5516 Restaurant Eating Place. I understand from your email to me that the Response to the Notice of Violation should include the clients' understanding of what caused them to be in violation and how they will prevent a violation in the future. Ms. Dodds seeks to sincerely apologize for the violation, to specify that it was inadvertent and the result of being overburdened with the tasks of running the business, and that she plans to ensure future compliance by pausing the hiring of 16 and 17 year olds until a compliance system can be adopted into her payroll. Ms. Dodds respectfully request that there be no further penalty or action taken on what was an inadvertent mistake by a law abiding business owner whose violation resulted out of mistake and being spread too thin rather than any willful attempt to evade the law.

Ms. Dodds first conveys her extreme contrition for committing a violation as to Alcohol License.#5516 Restaurant Eating Place. She never intentionally employed minors in blatant disregard for Alaska State Law. While ignorance of the law is no defense, she believes that she became confused when her youngest son worked for her as a minor, which she understood to be permitted by law. Her violations with regards to other employees was inadvertent and mistaken rather than intentional. Ms. Dodds

sincerely submits that she would never willfully put a minor in this situation and risk her Alcohol License and the integrity of her business.

Ms. Dodds is appalled at her violation and has never felt so bad about something that has occurred in her professional life. She submits that she has worked harder than a person should have to to keep the establishment running, only to realize that working harder instead of smarter has put her business and reputation in jeopardy. She offers this not as an excuse, for she takes full responsibility for her negligence, but as insight as to how this could have happened. The Notice of Violation is a wakeup call for Ms. Dodds.

The White Spot Cafe is the longest running restaurant in Anchorage. It is an iconic diner with a family atmosphere. The White Spot serves breakfast and lunch from 7am - 3pm. Beer and Wine is a minute amount of the total sales. From January 1, 2024 - July 28, 2025, the percentage of alcohol sales to the total sales is .015. Alcohol represents less than 2% of total sales. They do not have a regular drinking clientele. Rarely does anyone order more than 2 drinks, and people do not get drunk in the establishment. It's just not that kind of a place.

Ms. Dodds submits that she tries to do things the right way to the best of her ability but sincerely regrets this violation. It's important to her that the restaurant presents well to the public and that they offer quality food at a fair price. Ms. Dodds goes out of her way to treat their employees with respect and offer a good work environment. She works alongside the employees on a daily basis, most days from open to close, and then after hours she does the shopping, stocking, cleaning, bookkeeping etc... Ms. Dodds lives in Girdwood and leaves home by 6:00 a.m. most days and is rarely back home before 7:00 p.m. with many days being even longer. Ms. Dodds's husband, the other 50% Bridges Enterprises, LLC member, works out of town most of the time and Ms. Dodds runs all of the day-to-day operations.

Anybody that has worked for Ms. Dodds can attest to her work ethic and integrity in the workplace and that she is a law-abiding business owner.

Ms. Dodds will ensure that there will be no further violations. At present, Ms. Dodds plans to pause in the hiring of 16- or 17-year-olds until she adopts a system with checks and balances. She believes a prompt can be put into her current payroll system that verifies the age of any new employee and asks if all paperwork has been filed. Ideally, she would like to switch back to a local payroll provider/administrative service and set up with them to have all paperwork reviewed for anyone 16 or 17 years of age to be sure it is properly executed and in place.

No one is more mortified than Ms. Dodds about the violation, especially that her mistake affects kids she cares about. She may have been clueless and careless in her harried work style but did not willfully make this mistake. Ms. Dodds respectfully requests that you take her contrition and the inadvertence of her mistake, as well as her almost sole responsibility for most aspects of running the business into consideration in this case.

Based on Ms. Dodds' insight into the seriousness of the violation, her contrition, her inadvertent mistake, and her plan to pause hiring 16- and 17-year-olds until she can adopt a payroll system to ensure compliance, she asks that you not proceed with filing an accusation and close this matter without taking any action beyond the Notice of Violation.

Respectfully,

/s/ Caitlin Shortell on behalf of Carla C Dodds
