Aramark Sports and Entertainment Services, LLC d.b.a. Alcohol Service and Security Plan for Glacier Bay Lodge

Glacier Bay Lodge, located in Gustavus, Alaska, will offer alcohol service in both its indoor and outdoor areas, and to accommodation area subject to seasonal conditions. The establishment will implement a comprehensive plan to ensure the responsible and safe service of alcohol while maintaining legal compliance and protecting public safety.

Alcohol Service Areas and Boundary Management:

- **Outdoor Area:** During the summer months, the outdoor space will be utilized for alcohol service, contingent upon favorable weather and adequate staffing. This area is a deck and is enclosed by a 4-foot wooden fence, creating a defined drinking zone. Staff will monitor this space, ensuring compliance with alcohol service regulations.
- **Lobby Area:** The lobby will serve as a designated waiting area for patrons, with clear boundaries established. Reception staff will be responsible for ensuring that these boundaries are respected.
- **Signage:** Appropriate legal signage will be prominently displayed to inform patrons of the boundaries, including "No Alcohol Beyond This Point" notices, in full compliance with local laws and alcohol regulations.

Staffing and Monitoring:

- A manager will be present on-site at all times to oversee operations and ensure adherence to safety protocols and alcohol service regulations.
- Staff members will circulate between the indoor and outdoor areas to monitor alcohol consumption, ensuring that patrons remain within the designated drinking zones and that responsible service practices are followed.

Security Measures:

To further support the safety and compliance of the establishment, the following security measures will be in place:

1. **Staff Monitoring and Oversight:** Staff will be actively engaged in monitoring both indoor and outdoor areas, with an emphasis on preventing unauthorized alcohol consumption. This monitoring will be especially critical during peak hours or special events.
2. **Security Personnel:** When the outdoor area is open, or during high-traffic periods, a manager on duty (MOD) will be stationed to assist with crowd

management, enforce alcohol policies, and address any disturbances. Staff will be easily identifiable and trained to handle alcohol-related situations.

3. **Lighting and Visibility:** The outdoor area will be well-lit to enhance visibility, ensuring that staff can easily monitor the premises, especially during evening hours. Adequate lighting will be provided for pathways, seating areas, and the boundary lines to ensure staff can identify any issues promptly.
4. **Communication with Law Enforcement:** In the event of a security concern that exceeds on-site management capabilities, staff will follow established protocols to quickly contact local law enforcement. Emergency contact numbers for local police and emergency services will be clearly posted in common areas, ensuring immediate access to help if needed.

This comprehensive plan is designed to create a safe, secure, and legally compliant environment for all patrons, ensuring a high-quality experience at Glacier Bay Lodge.
