This letter is in response to our Notice of Violation dated 3/11/24.

I am not sure why we are in violation of AS 04.09.220(a), A club license authorizes a club or organization to sell alcoholic beverages for consumption only on the licensed premises, as the violation did happen within our licensed premises.

As far as the violation under AS 04.09.220(d)(1)(2)(3) we do see the reason for the violation and fully accept responsibility for what has occurred. To explain why this violation occurred is that we were following AS 04.09.220(f) that states, Guests who enter the club premises on the invitation of a member and in the company of the member may be served but not sold alcoholic beverages. We used this as a membership drive and told our employees that if non-members entered our facility, the employee on shift had the option to sign the individual in, or ask another member to do so, as a guest of theirs and let them have a beverage. Once the individual was served, we would inquire if they were qualified to be a member of the AMVETS and if so proceed to try and sign them up. If the individual refused to sign up or was not eligible then they were allowed to finish their beverage and not served again.

Our employee, Pam Estrada, did follow our directions when investigators Linger and Hamilton entered our facility and asked if they were members of AMVETS. Once they were identified as non-members, she proceeded to ask for their IDs to verify they were legal and to also sign them in as her guest. We understand once money was exchanged this incurred the violation. Be assured that we know that we cannot sell to non-members.

At this point we have modified our policy to state that the employee cannot sign in anyone while on shift. That another member present can be asked to sign the non-member in as their guest and purchase a drink for the non-member. Then we can still perform our membership drive without violating the law.

Please accept our sincere apology for this violation and be assured that this will not happen again nor any other violations concerning AS 04.09.220.

Thank you for your consideration.
