Re: Protest, subject to rescission, Beverage Dispensary License No. 3299 Renewal Application and Transfer Application

To: The Alcoholic Beverage Control Board,

The City Council of the City of Kodiak protests renewal of beverage dispensary license #3299, subject to rescission of the protest if the applicant meets the conditions set forth below. The City Council also protests the license #3299 transfer application, subject to rescission of the protest if the applicant meets the Council's conditions.

City of Kodiak Code 5.12.030(d)(6) provides that the City Council may protest an application for an alcoholic beverage license when business's premises do not comply with municipal fire, health, or safety codes.

The Deputy Fire Marshal determined that the premises described in the renewal application, 402 Marine Way, Suite 100, are not code compliant. The deficiencies are identified in the Deputy Fire Marshal's August 27, 2025 letter, a copy of which is submitted with this protest.

The Deputy Fire Marshal also determined that the transfer application premises, 202 Rezanof Drive, are not code compliant. The deficiencies are identified in the Deputy Fire Marshal's August 26, 2025 letter, a copy of which is submitted with this protest.

The Council protests renewal and transfer of license #3299 because a beverage dispensary business should not be operated from unsafe premises. The Council requests that the board uphold the Council's protests, pursuant to 3 AAC 305.085(h), until the applicant meets the conditions set by the Council.

Protest of the license #3299 transfer application will be withdrawn upon the Fire Marshal's report that the premises deficiencies identified in the Deputy Fire Marshal's August 26, 2025 letter have been satisfactorily corrected and that the 202 Rezanof Drive premises comply with the City's fire, health, and safety codes.

Protest of the license #3299 renewal application will be withdrawn upon the Fire Marshal's report that the premises deficiencies identified in the Deputy Fire Marshal's August 27, 2025 letter have been satisfactorily corrected and that the 402 Marine Way, Suite 100 premises comply with the City's fire, health, and safety codes.

However, the City understands that the applicant does not intend to operate the license from 402 West Marine Way. Rather, if the license is renewed, it would then be transferred to 202 Rezanof Drive. If the license will *not* be operated from 402 Marine Way, the City will *not* require correction of those premises as a condition of withdrawing its protest of the renewal application. Thus, the City will withdraw its protest of the renewal application on the alternative condition that license #3299 be surrendered until the application to transfer license #3299 to 202 Rezanof Drive is approved.

Fundamentally, the Council's condition for rescinding its protests is that license #3299 be operated from premises that comply with the City's fire, health, and safety codes. If license #3299 would be operated from the 202 Rezanof Drive premises *only*, the 402 West Marine Way code-compliance issues need not prevent transfer of the license #3299 to the 202 Rezanof Drive premises.

Sincerely,

Pat Branson  
Mayor

### Form AB-02: Premises Diagram

#### Why is this form needed?

A detailed diagram of the proposed licensed premises is required for all alcohol license applications, per AS 04.11.260, 3 AAC 305.630 and 3 AAC 305.660. Your diagram must include dimensions and must show all entrances and boundaries of the premises, walls, bars, fixtures, and areas of storage, service, consumption, and manufacturing.

**This form must be completed and submitted to AMCO's Anchorage office before any license application will be considered complete. You may attach blueprints or other detailed drawings that meet the requirements of this form.**

#### The diagram MUST include:

- You must use a solid, contiguous red line to outline the outer perimeter of your premises with no breaks or separations.
  - The red outline is required to follow a physical barrier (wall, fence and even across doorways).
  - There should be no red lines within the perimeter
- Each area should be clearly labeled in any color other than red where alcohol is:
  - Stored
  - Served/Sold
  - Manufactured
  - Consumed
- All diagrams must include:
  - Dimensions (AMCO does not accept diagrams drawn to scale)
  - Cross streets
  - Points of reference, such as a compass rose indicating True North
  - All entrances, exits, walls, bars, and fixtures
- If your premises include multiple floors, please include a separate diagram of each floor.
  - You must identify the stairs between each floor, and each hallway/corridor that leads to each set of stairs.
- If your premises includes multiple floors, please include a separate diagram of each floor. You must identify the stairs between each floor, and each hallway/corridor that leads to each set of stairs.
- If your proposed premises is located within a building or building complex that contains multiple businesses and/or tenants, please provide an additional page that clearly shows the location of your proposed premises within the building or building complex, along with the addresses and/or suite numbers of the other businesses and/or tenants within the building or building complex.
- Any license applications that include outdoor space are required to submit a security plan that includes information about the barriers, practices, and personnel that are to be used to ensure that alcohol is not introduced or removed from the permitted premises and to prevent the access of alcohol by a minor during the permitted event. A security plan may be requested for other proposed locations on a case-by-case basis.
