### MEMORANDUM

TO: Alcoholic Beverage Control Board

DATE: January 20, 2026

FROM: Anna White, Licensing Examiner II

RE: 4377 Growlers, Whiskey and Wine,  
New Party Time Liquors, Inc.,  
4<sup>th</sup> Waiver of Operations for 2025,  
2026-2027 Renewal Application

**Background:** Consideration of the fourth waiver is requested for license 4377. The 3<sup>rd</sup> Waiver of Operations was approved by the ABC Board at the November 2025, Special Board Meeting. At that meeting the licensee explained that the intention was to have the license operated for the 240-hour minimum operating requirement for 2025 but was ultimately unsuccessful. The licensee has communicated with the office that a transfer application is in the process of being submitted for this license.

**Attachments:** Memo, 4<sup>th</sup> Waiver Application for 2025, Approved 3<sup>rd</sup> Waiver Application for 2024, 2<sup>nd</sup> Waiver Application for 2023 (approved administratively), 1<sup>st</sup> Waiver Application for 2022 (approved administratively), 2026-2027 AB-17 Renewal Application.

**Excerpt from November 2025, Special Board Meeting:**

Roy Cappadona, licensee- informs the board that there is a transfer being prepared, they are currently advertising. The hope is to transfer ownership to Humpy's. He intends to operate to meet the minimum hours of operation for the 2025 calendar year.

Program Coordinator Jane Sawyer- reiterates that if the license isn't operated at least 240 hours in 2025, the licensee will need to file for a 4th waiver. That waiver should be submitted and completed by the next board meeting in February.

**Motion:** to approve the 3rd waiver of operations for license 4377 by Diane Thompson. Second by Jan Hill. Unanimous affirmative vote. Motion carries.

**Applicable statute:** AS 04.11.330(a)(3). An application requesting renewal of a license or endorsement shall be denied if the applicant has not operated the licensed premises for at least 240 hours during each of the two preceding calendar years, unless the board determines that the licensed premises are under construction or cannot be operated through no fault of the applicant...

**Applicable regulation:** 3 AAC 305.120 Waiver of annual operating requirement and minimum operating requirements. (a) Except as provided in this section, the board will deny an application for renewal of a license or a license with one or more endorsements if the licensed premises were not operated for the time required under AS 04.11.330(a)(3) or (d).

(b) A licensee may submit a waiver application to the board to request a waiver of the operating requirement in AS 04.11.330 (a)(3) or (d). Under AS 04.11.330(a)(3), the board will determine whether, through no fault of the licensee or because the premises are under construction, the licensed premises could not be operated for the required time during the preceding calendar year.

(c) A waiver application for a calendar year must be made in writing to the board and must be accompanied by the non-refundable application fee of (1) an amount equal to one-half the applicable biennial license fee if a waiver application was not made for the previous year; or (2) double the amount of the fee paid for the previous waiver application.

(d) A waiver application must include a statement from the licensee explaining why the licensed premises was not in compliance with AS 04.11.330(a)(3) or (d). The licensee must provide a copy of the waiver application to any local governing body with jurisdiction over the license and licensed premises.

(e) The board may deny a third or subsequent, consecutive application for waiver (1) unless the licensee clearly shows that the licensed premises were not operated, because the premises were condemned or substantially destroyed by any cause; or (2) the licensee holds a common carrier dispensary license and is a boat weighing over 1,000 tons;

(f) Absent circumstances to the contrary, the board will deny a third or subsequent, consecutive application for waiver in the event of condemnation or destruction of the premises if the premises identified on an applicant's license are not leased or owned by the licensee. Additionally, a third or subsequent consecutive application for waiver that does not identify a licensed premises location will be denied.

(g) The board may impose conditions along with the approval of a waiver application.

(h) If a waiver application is denied, an application for license renewal for the succeeding license period will be denied by the board under AS 04.11.330(a)(3).

(i) In addition to the application fee under (c) of this section, the applicant shall pay \$1,000 for an application that is received too late for board consideration at its last meeting of the calendar year for which the waiver is requested.

(j) In the event of the death of a licensee, destruction of the premises, or comparable circumstances showing extraordinary hardship, the board may waive the fees required under (c) and (i) of this section...
