# MEMORANDUM

TO: Alcoholic Beverage Control Board

DATE: Thursday, November 12, 2026

FROM: Joe Bankowski, Enforcement Supervisor

RE: Enforcement Report, Alcohol

AMCO Enforcement continues to make progress toward its annual inspection goals, completing 230 licensed premises inspections between August 22 and November 6, 2026. Investigators also remain actively engaged in responding to complaints, assisting licensees and the public, and investigating reported and observed violations.

Three Special Investigator vacancies remain in Anchorage, Fairbanks, and Juneau. Following multiple unsuccessful recruitments, efforts are underway to reclassify these positions to Investigator III to expand the qualified applicant pool and improve recruitment outcomes.

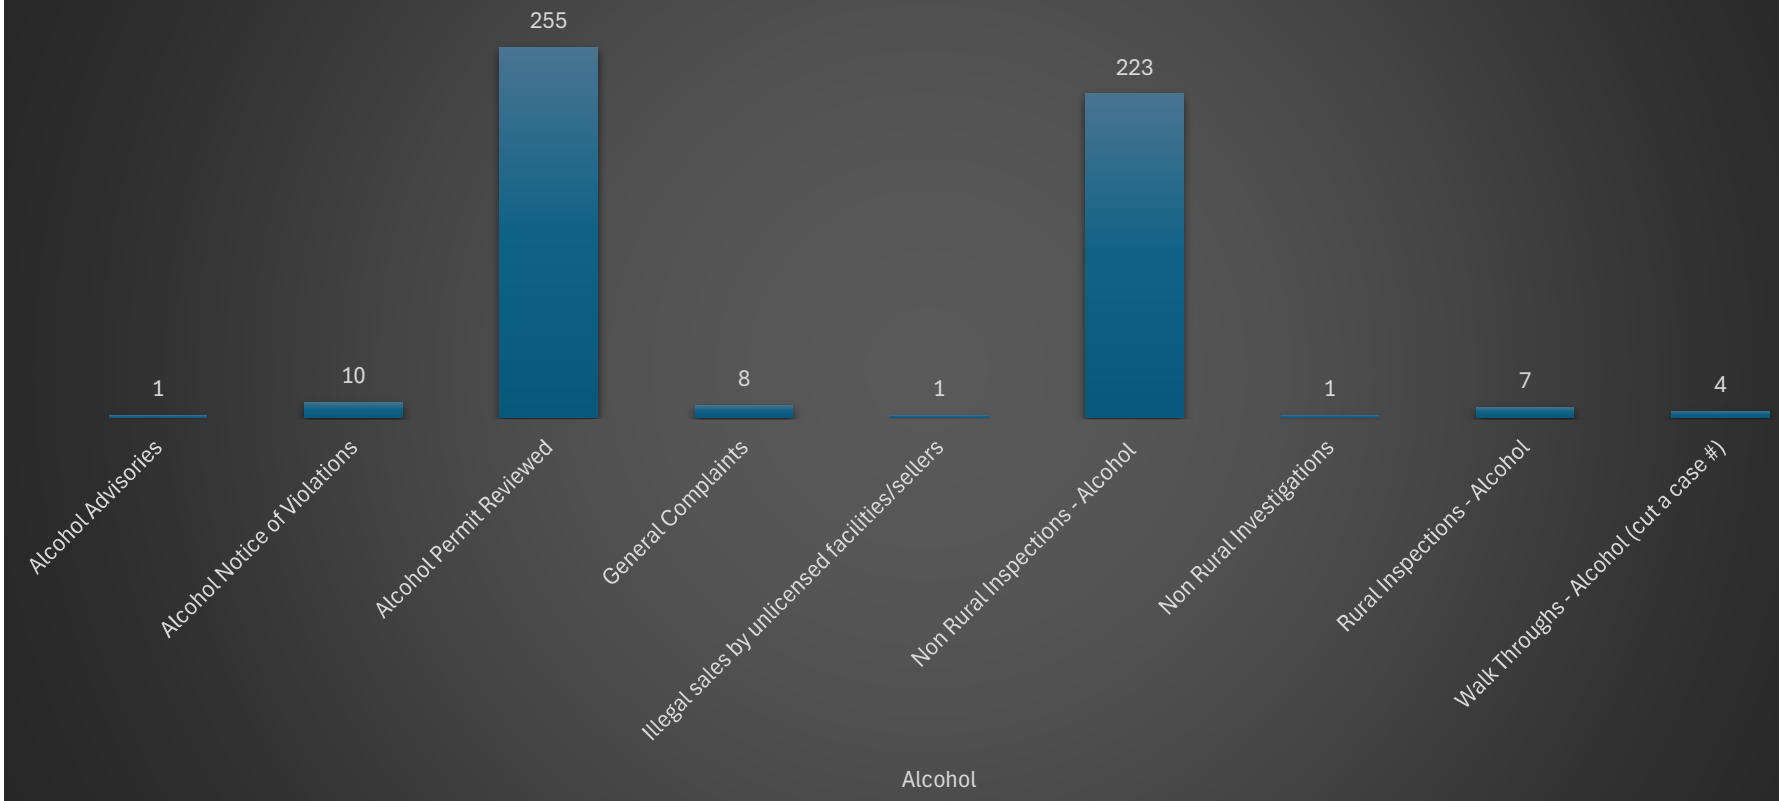

Despite these vacancies, statewide enforcement efforts continue. Investigators Hamilton and Linger have taken on additional travel assignments to provide inspection coverage and maintain an enforcement presence in areas without permanently assigned investigative staff.
