# Form AB-02: Premises Diagram

### Why is this form needed?

A detailed diagram of the proposed licensed premises is required for all alcohol license applications, per AS 04.11.260, 3 AAC 305.630 and 3 AAC 305.660. Your diagram must include dimensions and must show all entrances and boundaries of the premises, walls, bars, fixtures, and areas of storage, service, consumption, and manufacturing.

**This form must be completed and submitted to AMCO's Anchorage office before any license application will be considered complete. You may attach blueprints or other detailed drawings that meet the requirements of this form.**

### The diagram MUST include:

- You must use a **solid, contiguous red line** to outline the outer perimeter of your premises with no breaks or separations.
  - The red outline is required to follow a physical barrier (wall, fence and even across doorways).
  - There should be no red lines within the perimeter
- Each area should be clearly labeled in any color other than red where alcohol is:
  - Stored
  - Served/Sold
  - Manufactured
  - Consumed
- All diagrams must include:
  - Dimensions (AMCO does not accept diagrams drawn to scale)
  - Cross streets
  - Points of reference, such as a compass rose indicating True North
  - All entrances, exits, walls, bars, and fixtures
- If your premises include multiple floors, please include a separate diagram of each floor.
  - You must identify the stairs between each floor, and each hallway/corridor that leads to each set of stairs.
- If your premises includes multiple floors, please include a separate diagram of each floor. You must identify the stairs between each floor, and each hallway/corridor that leads to each set of stairs.
- If your proposed premises is located within a building or building complex that contains multiple businesses and/or tenants, please provide an additional page that clearly shows the location of your proposed premises within the building or building complex, along with the addresses and/or suite numbers of the other businesses and/or tenants within the building or building complex.
- Any license applications that include outdoor space** are required to submit a security plan that includes information about the barriers, practices, and personnel that are to be used to ensure that alcohol is not introduced or removed from the permitted premises and to prevent the access of alcohol by a minor during the permitted event. A security plan may be requested for other proposed locations on a case-by-case basis.

## Form AB-38: Off-Site Warehouse/Storage Application

### Why is this form needed?

Fee \$250

Per AS 04.21.060, 3 AAC 305.670, AS 04.16.140 and AS 04.16.130, alcoholic beverages cannot be sold or consumed at an approved storage facility. Alcoholic beverages cannot be removed from the approved storage facility except at the direction of the licensee.

A detailed diagram of the proposed Off-Site Warehouse/Storage location is required. Your diagram must include dimensions and must show all entrances and boundaries of the premises, walls, bars, fixtures, and areas of storage. If your proposed premises is located within a building or building complex that contains multiple businesses and/or tenants, please provide an additional page that clearly shows the location of your proposed premises within the building or building complex, along with the addresses and/or suite numbers of the other businesses and/or tenants within the building or building complex.

**The second page of this form may not be required.** Blueprints, CAD drawings, or other clearly drawn and marked diagrams may be submitted in lieu of the second page of this form. The remaining pages must still be completed, attached to, and submitted with any supplemental diagrams. An AMCO employee may require you to complete the second page of this form if additional documentation for your premises diagram is needed.

**This form must be completed and submitted to AMCO's Anchorage office for review and consideration before utilizing the space.**

Yes No

I have attached blueprints, CAD drawings, or other supporting documents in addition to, or in lieu of, the second page of this form.

Describe how the location will be secured?

The storage unit is a 20 foot metal connex that will sit on the property of the distillery. Connexes have double metal doors on both ends and can be padlocked in two places at each door. The locking mechanism is thick steel and allows for very robust padlocks. Inside the connex any alcohol will be stored in either plastic barrels or stainless steel tanks. Shelving along the sides will provide additional storage for supplies and grain. The back of the distillery where the connex is located will have motion sensor lights and video cameras.

### Section 2 – Endorsement Requested

Manufacturer Sampling Endorsement	<b>AS 04.09.410.</b> A manufacturer sampling endorsement authorizes the holder of a brewery manufacturer license, winery manufacturer license, or distillery manufacturer license to offer for consumption on the licensed premises at no charge a small sample of an alcoholic beverage produced by the manufacturer. The biennial fee for a manufacturer sampling endorsement is \$200.	Check Here X
-----------------------------------	--	-----------------

The below touches on many requirements, etc. within the endorsement.

- A person serving a sample of an alcoholic beverage under this section must have a current alcohol server education card issued under AS 04.21.025(c).
- Only the license holder or an agent or employee of the license holder may serve a sample.
- A person who offers a sample of an alcoholic beverage for consumption on the licensed premises of a brewery, winery, or distillery without an endorsement under this section commits the offense of unendorsed sampling.

### Section 3 – Areas Covered by Endorsement

Does the endorsement apply to your entire licensed premises as approved by the ABC Board?	Yes <input checked="" type="checkbox"/>	No <input type="checkbox"/>
Does the requested endorsement expand your currently licensed premises?	Yes <input type="checkbox"/>	No <input checked="" type="checkbox"/>

- If No, attach the approved diagram, no larger than 8 1/2" x 11" of the layout, and identify the portions of the premises covered by various requested endorsements. You must use a solid, contiguous colored line in any color other than red to outline the outer perimeter of the area of the premises covered by the requested endorsement(s).
- If endorsements are overlapping, provide a conspicuous means to distinguish each endorsement from the other (e.g., keyed map with varying colors for each requested endorsement).
- Your drawing MUST include:
  - Dimensions in feet **not** square feet of all exterior walls and major interior walls (we do not accept diagrams drawn to scale)
  - Include cross-streets
