MEMORANDUM

TO: Alcoholic Beverage Control Board

DATE: Tuesday, January 27, 2026

FROM: Joe Bankowski, Enforcement Supervisor

RE: Enforcement Report, Alcohol

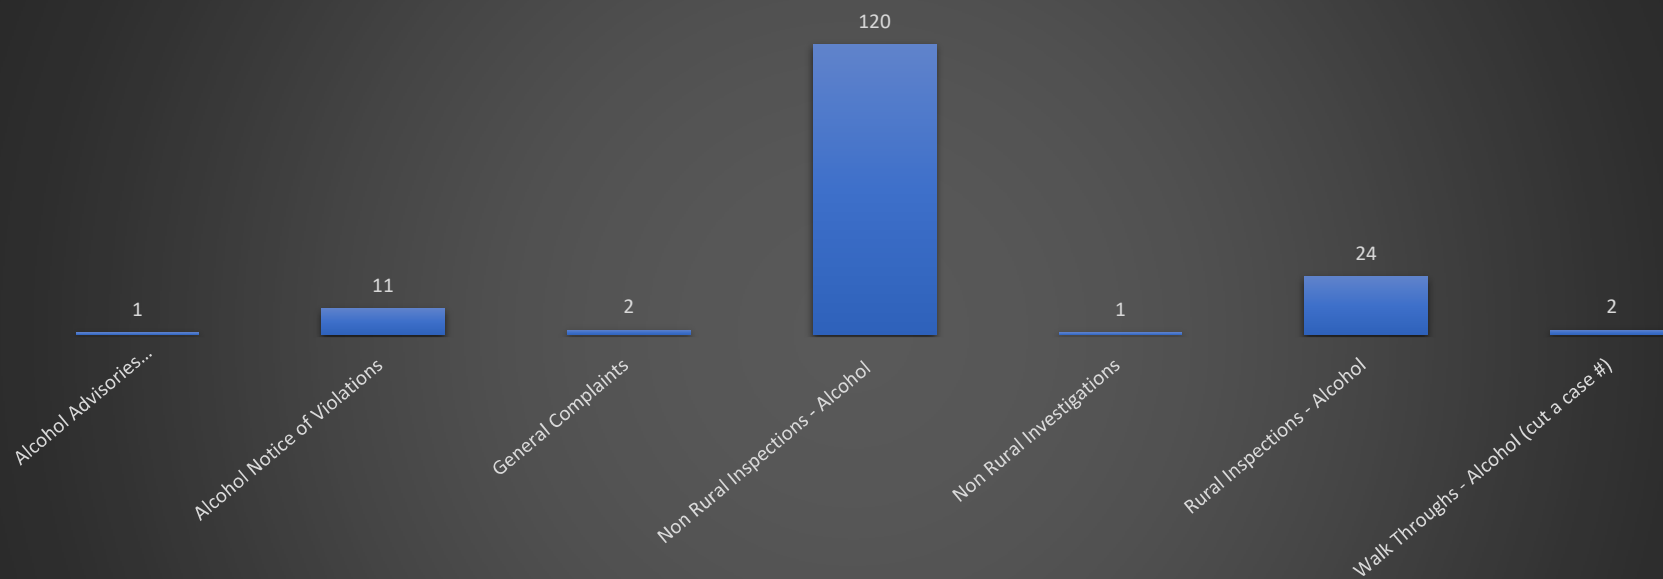

AMCO Enforcement has maintained a regular cadence of inspections throughout the slower winter months. Investigators conducted 144 inspections of licensed premises between November 20th, 2025 and January 23rd, 2026.

We are still contending with 3 vacancies within the enforcement unit. The Anchorage recruitment is in the final stages of the hiring process. I am hopeful the successful candidate will be in place before the April Board meetings. The recruitment waiver for the Fairbanks vacancy has been resubmitted, and we are awaiting a decision from OMB. The recruitment for the Special Investigator position in Juneau has now been posted 3 times as we attempt to find candidates that meet minimum qualifications. Anchorage-based Investigators will continue travelling to both Fairbanks and southeast Alaska to conduct inspections and investigations as needed.

Enforcement statistics for the period of November 20th, 2025 and January 23rd, 2026, are attached to this report.
