Note: Since the 2017 population count was published, staff has reviewed the census data for students and military personnel. In accordance with the Census Bureau "Residence Rule" ([https://www.census.gov/population/www/cen2010/resid\\_rules/resid\\_rule\\_s.html](https://www.census.gov/population/www/cen2010/resid_rules/resid_rule_s.html)), students and military personnel are counted at the residence where they live and sleep most of the time. Thus these populations are counted by the Census in the appropriate population areas and no populations of students or military personnel need be discounted per 3 AAC 305.900(a)(3)
