

FINDING OF EMERGENCY

The Alcoholic Beverage Control Board finds that an emergency exists and that the attached regulations are necessary for the immediate preservation of the public peace, health, safety, or general welfare. The facts constituting the emergency include the following:

On March 11, 2020, the governor declared a public health disaster emergency under AS 26.23.020 due to the spread of COVID-19. The Center for Disease Control and Alaska Department of Health and Social Services have warned that COVID-19 is highly contagious and that physical distancing is paramount to containing the spread of the virus. Alaska instituted public health mandates requiring that individuals maintain physical distance from people who are not members of the person's household. The mandates allow for the continued operation of businesses that provide essential services and supplies and businesses where people can maintain the required social distance when inside.

Stores providing essentials, such as groceries and pharmaceuticals, are implementing strict measures to maintain physical distance and increasing the availability of drive-through and curbside pick-up and home delivery options. The board anticipates that so long as patrons are able to enter the premises of alcohol licensees for purchasing, it is necessary to take every possible step to protect the health and safety of those patrons and employees by providing purchasing opportunities that minimize physical distance between patrons and employees.

The governor suspended the following statutes in Title 4, relating to the sales of alcoholic beverages.

Suspended as of April 14, 2020

<u>Authority</u>	<u>Division</u>	<u>Suspended as described below</u>
AS 04.11.090	AMCO	Suspension of the statute only to the extent necessary to allow for: (1) curbside pickup of alcohol; and (2) delivery of beer and wine when included with an order of food being delivered by a licensed restaurant or eating place establishment.
AS 04.11.100	AMCO	Suspension of the statute only to the extent necessary to allow for: (1) curbside pickup of alcohol; and (2) delivery of beer and wine when included with an order of food being delivered by a licensed restaurant or eating place establishment.
AS 04.11.130(b)(1)	AMCO	Suspension of the statute only to the extent necessary to allow for the curbside pickup of beer sales otherwise allowed under the statute.
AS 04.11.135(a)(3)	AMCO	Suspension of the statute only to the extent necessary to allow for the curbside

		pickup of beer sales otherwise allowed under the statute.
AS 04.11.135(d)(3)(C)&(e)	AMCO	Suspension of the statute only to the extent necessary to allow for: (1) curbside pickup of alcohol; and (2) delivery of beer and wine when included with an order of food being delivered by a licensed restaurant or eating place establishment.
AS 04.11.140(b)(1)(A)	AMCO	Suspension of the statute only to the extent necessary to allow for the curbside pickup of wine sales otherwise allowed under the statute.
AS 04.11.150	AMCO	Suspension of the statute only to the extent necessary to allow for the curbside pickup of alcohol sales otherwise allowed under the statute.
AS 04.11.170	AMCO	Suspension of the statute only to the extent necessary to allow for curbside pickup of alcohol.

The practical effect of these suspensions is that licensees are able to sell alcoholic beverages off of the licensed premises. To provide constraints and avoid confusion, the board must pass emergency regulations so that physical distancing can be balanced with existing public peace, health, and safety protections, including verification that the purchasers are of legal drinking age and are not intoxicated at the time of purchase and protections against alcohol being left unattended.

THEREFORE: The Alcoholic Beverage Control Board finds that upon suspension of the listed Title 4 statutory provisions as stated in the Governor’s Suspension Order, effective April 14, 2020, it is in the best interest of the state to enact emergency regulations 3 AAC 304.185(g), 3 AAC 3 AAC 304.920, and 3 AAC 304.925.
