

## Multiple businesses on one myAlaska account

Below screen shot, the "Dashboard", when you have signed in go to the silhouette and click on it. There you can add an account. So, the next time you logon they both will appear

The screenshot shows the myAlaska dashboard for user AMCOJanyce. The header includes 'AK - ACCIS' on the left and 'AMCOJanyce' with a silhouette icon on the right. The main content area is titled 'Welcome Local' and features three summary cards: '0 Items Awaiting Your Action', '3 Unsubmitted Applications', and '1 Applications In Review'. Below these are 'Available Actions' including 'Apply for a new license, endorsement, permit', 'Manage an existing license, endorsement, permit', 'View my master information', 'View my license, endorsement, permit', and 'View my history'.

Add another business here:

This screenshot shows the same dashboard but with a dropdown menu open from the silhouette icon in the top right. The menu contains the following options: 'Welcome Local Host AMCOJanyce', 'Switch Accounts', '+ Add Another Business', and 'Logout'. Below the menu, the 'Welcome Local' section displays a table of business entities:

Owner/Entity Name	Action
Alpine Inn, LLC	→
AMCO Janyce	→
