Given the new nature of this industry, the Parties agree it is impracticable to assign a fair market value rental rate and agree to negotiate a more defined and substantial rental rate, as allowed under 3 AAC 306.015(e)(B)(i) as the Tenant's business commences operation and generates revenue.

Tenant covenants to and shall pay to Landlord at:

ALASKA REAL ESTATE COMMISSION CONSUMER PAMPHLET

About This Pamphlet:

In Alaska, a Real Estate Licensee is required by law to provide this pamphlet outlining the duties of a real estate licensee. After you have read the information contained in this pamphlet, please acknowledge receipt by signing page and return it to the real estate licensee who provided it to you. Your cooperation is appreciated.

There are four different types of relationships established by Alaska Real Estate Law:

- **Specific Assistance** – Licensee owes "Duties owed by a Licensee in all Relationships" as described in this pamphlet.
- **Representation** – Licensee owes "Duties Owed by a Licensee when Representing a Party" as described in this pamphlet.
- **Designated Licensee** – This occurs when a Licensee represents or provides specific assistance to a party to a transaction and another Licensee within the same company represents or provides specific assistance to the other party in the same transaction.
- **Neutral Licensee** – This occurs when a Licensee does not represent either party but provides specific assistance to both parties in the same transaction. The parties must authorize the Neutral Licensee relationship by signing the "Waiver of Right to be Represented" form.

Duties owed by a Licensee in all Relationships:

- Exercise reasonable skill and care;
- Deal honestly and fairly;
- Present all written communications in a timely manner;
- Disclose all material information regarding the physical condition of a property;
- Account for all money and property received.

Duties owed by a Licensee when Representing a Party:

- Duties owed by Licensee in all relationships listed above;
- Not knowingly do anything that is adverse or detrimental to your interests;
- Disclose all conflicts of interests to you in a timely manner;
- If a matter is outside their area of expertise, advise you to seek expert advice;
- Not disclose confidential information, even after the relationship ends, from or about you without written permission, except under a subpoena or court order;
- Make a good faith and continuous effort to accomplish your real estate goals. However, once you have entered into a specific real estate transaction agreement, their efforts refocus on its successful completion.

Your Real Estate Licensee may also work with a variety of other clients (they represent) and customers (they provide specific assistance to) in different working relationships. In those situations, representing or providing specific assistance to other sellers, buyers, lessors, and lessees does not create a conflict of interest while working with you, or within the duties mentioned above.

Occasionally, as a Seller or Lessor, a situation may arise that your Real Estate Licensee also is representing another client (Buyer or Lessee) who then becomes interested in your property – or vice versa.

Prior to showing the property, the Real Estate Licensee must obtain a written approval to be a Neutral Licensee for both parties. A Licensee may not show property as a neutral licensee without obtaining your written consent entitled "Waiver of Right to Be Represented" and it will restate the duties outlined above and additional ones owed by your Real Estate Licensee. Alaska real estate law allows, but does not require, you to Preauthorize a Licensee to be a "Neutral Licensee." Having a different designated Licensee working for a seller or lessor and for the buyer or lessee in the same real estate transaction does not create dual agency or a conflict of interest for the real estate broker or for a Licensee employed by the same real estate broker.

THIS DISCLOSURE PAMPHLET IS NOT A CONTRACT

Duties NOT owed by a Real Estate Licensee

Unless agreed in writing otherwise, the following are the duties your Real Estate Licensee does not owe to you:

- To conduct an independent investigation of a property
- To conduct an independent investigation of anyone's finances
- To independently verify the accuracy or completeness of a statement made by a party to a real estate transaction or by a person reasonably believed by the licensee to be reliable
- To show or search for properties without compensation

THIS DISCLOSURE PAMPHLET IS NOT A CONTRACT.

The Licensee anticipates compensation to be paid by _____ buyer/lessee, _____ seller/lessor, or _____ both to the real estate brokers in the real estate transaction.

I understand and acknowledge receiving and reading this pamphlet on the type of relationships I may have with the real estate Licensee (including the broker).

I understand and acknowledge that _____ (Licensee) of _____

ALASKA REAL ESTATE COMMISSION CONSUMER DISCLOSURE

This Consumer Disclosure, as required by law, provides you with an outline of the duties of a real estate licensee (licensee). This document is not a contract. By signing this document you are simply acknowledging that you have read the information herein provided and understand the relationship between you, as a consumer, and a licensee. (AS 08.88.600 – 08.88.695)

There are different types of relationships between a consumer and a licensee. Following is a list of such relationships created by law:

Specific Assistance

The licensee does not represent you. Rather the licensee is simply responding to your request for information. And, the licensee may "represent" another party in the transaction while providing you with specific assistance.

Unless you and the licensee agree otherwise, information you provide the licensee is not confidential.

Duties owed to a consumer by a licensee providing specific assistance include:

- Exercise of reasonable skill and care;
- Honest and good faith dealing;
- Timely presentation of all written communications;
- Disclosing all material information known by a licensee regarding the physical condition of a property; and
- Timely accounting of all money and property received by a licensee.

Representation

The licensee represents only one consumer unless otherwise agreed to in writing by all consumers in a transaction.

Duties owed by a licensee when representing a consumer include:

- Duties owed by a licensee providing specific assistance as described above;
- Not intentionally take actions which are adverse or detrimental to a consumer;
- Timely disclosure of conflicts of interest to a consumer;
- Advising a consumer to seek independent expert advice if a matter is outside the expertise of a licensee;
- Not disclosing consumer confidential information during or after representation without written consent of the consumer unless required by law; and
- Making a good faith and continuous effort to accomplish a consumer's real estate objective(s).

Neutral Licensee

A neutral licensee is a licensee that provides specific assistance to both consumers in a real estate transaction but does not "represent" either consumer. A neutral licensee must, prior to providing specific assistance to such consumers, secure a Waiver of Right to be Represented (form 08-4212) signed by both consumers.

Duties owed by a neutral licensee include:

- Duties owed by a licensee providing specific assistance as described above;
- Not intentionally taking actions which are adverse or detrimental to a consumer;
- Timely disclosure of conflicts of interest to both consumers for whom the licensee is providing specific assistance;
- If a matter is outside the expertise of a licensee, advise a consumer to seek independent expert advice;
- Not disclosing consumer confidential information during or after representation without written consent of the consumer unless required by law; and
- Not disclosing the terms or the amount of money a consumer is willing to pay or accept for a property if different than what a consumer has offered or accepted for a property.

If authorized by the consumers, the neutral licensee may analyze and provide information on the merits of a property or transaction, discuss price terms and conditions that might be offered or accepted, and suggest compromise solutions to assist consumers in reaching an agreement.

Designated Licensee

In a real estate company, a broker may designate one licensee to represent or provide specific assistance to a consumer and another licensee in the same office to represent or provide specific assistance to another consumer in the same transaction.

Securities Law Disclosure

The Membership Interests or percentages of ownership of Raspberry Roots LLC (*Company*) have not been and will not be registered under the Securities Act of 1933, as amended (*Securities Act*); under any other federal securities laws; or under the securities laws of any state. The Membership Interests or percentages of ownership are offered and sold without registration based on exemptions from the registration requirement of the Securities Act and laws and regulations enacted by the Securities and Exchange Commission.

The Company will not be subject to the reporting requirements of the Securities Exchange Act of 1934, as amended, and will not file reports, proxy statements, or other information with the Securities and Exchange Commission or with any state securities commission.

The Limited Liability Company Membership Interests of the Company may not be offered for sale, sold, pledged, or otherwise transferred unless registered or qualified under applicable securities laws, or unless exempted from registration or qualification. Counsel for the owner of the Interest must appropriately register or qualify that Interest or establish any applicable exemption from registration or qualification; this opinion of counsel must be reasonably satisfactory to the Company.

No Member may register any Interest in the Company under any federal or state securities law without the express written consent of all Members.

The Members understand that some of the restrictions inherent in this form of business, and specifically set forth in this Agreement, may have an adverse impact on the fair market value of the Membership Interests if a Member attempts to sell or borrow against the Membership Interest in the Company.

Member Acknowledgment

By signing this Agreement, each Member agrees to the following provisions.

Exempt from Registration

Investment in the Member's Interest (*Interest*) in the Company involves a high degree of risk and is suitable only for sophisticated investors. Interests are being offered in reliance upon one or more exemptions from registration under the Securities Act, and any Securities Act of Alaska.

Member's Personal Investment

The Member is purchasing the Interest for the Member's own investment and with no intent to distribute or resell to any other person.

Registration or Opinion of Counsel before Transfer

In addition to other prohibitions and restrictions on transfer under this Agreement, the Interest will not be sold publicly without registration under the Securities Act and any applicable state securities law. Before any public sale, the selling Member must first obtain opinion of counsel that registration is not required in connection with any transaction; this opinion must be satisfactory to the Company. In no event may any Interest be sold within twelve (12) months of original issue to that Member.

Member's Principal Address

This Agreement notes each Member's principal address. Each Member shall notify the Company in writing within five (5) days of any change to this address.

Access to Facts

Each Member has had and continues to have access to all material facts regarding the Interest and is satisfied as to the advisability of making this investment.

No Right to Registration

No Member may require the Company to register any Interest under federal or state securities laws at any time, or to join in any future registration.

Hold Harmless

Each Member agrees to hold the Company and its Members, Member Principals, Organizers, controlling Persons (as defined in the Securities Act), and any persons affiliated with any of them or with the distribution of the Interest, harmless from all expenses, liabilities, and damages (including reasonable attorneys' fees) arising from a disposition of the Interest in any manner that violates the Securities Act, any applicable state securities law, or this Agreement.

proceedings, how to pursue any proceedings, and whether and on what terms to settle any dispute with the Internal Revenue Service.

(b) Tax Classification as a Partnership

Unless the Members unanimously elect not to be treated as a partnership for federal income tax purposes, the Company shall take all steps reasonably necessary to classify the Company as a partnership for tax purposes under the Code and Regulations.

The Company shall, if appropriate, prepare and file any forms necessary or appropriate to classify the Company as a partnership under the laws of any jurisdiction in which the Company transacts business.

Article Four

Company Management

Section 4.01 Management by its Members

The Company is a manager-managed Alaska limited liability company. As such, it shall be governed, operated and managed pursuant to the unanimous consent and authority of its Managers.

The Managers must act in good faith; with the care that an ordinarily prudent person in a similar position would exercise under similar circumstances, and in a manner each Manager reasonably believes to be in the best interests of the Company.

Section 4.02 Signing Documents

The Manager of the Company shall be required to accept and execute any instruments, contracts, agreements, or other documents for the acquisition, encumbrance, or disposition of the Company's property.

Section 4.03 Voting

The unanimous consent and approval of the Managers shall be required when voting on any matter affecting, binding or otherwise having to do with the Company and its business.

Section 4.04 No Authority of Individual Members

No individual Member is an agent of the Company, and no Member may make any contracts, enter into any transactions, or make any commitments on the Company's behalf. The consent and approval of the Managers of the Company is required to act on behalf of or bind the Company.

Section 4.05 Non-Liability of Members for Acts, Omissions, or Forbearances in Their Managerial Capacity

To the extent permitted by Alaska law, all Members are released from liability for damages and other monetary relief because of any act, omission, or forbearance in their capacity as a Manager of the Company. This release does not protect any Member from being required by a court to purchase the Membership Interest of another Member who successfully contends that the Member committed actionable oppressive acts to the prejudice of the other Member. No amendment or repeal of this provision affects any liability or alleged liability of any Member for acts, omissions, or forbearances that occurred before the amendment or repeal.

that Member's unpaid required contributions to the Company's capital;
unrecovered contributions to the Company's capital; and
that Member's share of any undistributed Company profits.

Subject to the provisions of this Section, each Member is entitled to all information regarding the Company under the circumstances and subject to the conditions stated in this Agreement and the Act.

All Members who obtain any information are subject to the confidentiality provisions of this Section. The Members acknowledge that they may receive confidential information regarding the Company, the release of which may be damaging to the Company or to persons with whom it does business. Each Member shall hold in strict confidence any information regarding the Company that is confidential, and may not disclose it to any person other than another Member, except if any such Member is compelled by law, but the Member must notify the other Members promptly of any request for that information before making any such disclosure.

Any person may rely on a copy of this Agreement that the Manager certifies to be a true copy to the same effect as if it were an original.

(b) Singular and Plural; Gender

Unless the context requires otherwise, words denoting the singular may be construed as plural and words of the plural may be construed as denoting the singular. Words of one gender may be construed as denoting another gender as is appropriate within the context. The word *or*, when used in a list of more than two items, may function as both a conjunction and a disjunction as the context requires or permits.

(c) Headings of Articles, Sections, and Subsections

The headings of Articles, Sections, and Subsections used within this Agreement are included solely for the reader's convenience and reference. They have no significance in the interpretation or construction of this Agreement.

(d) Governing Law

This Agreement is governed, construed, and administered according to the laws of Alaska, as from time to time amended, except as to trust property required by law to be governed by the laws of another jurisdiction, and unless the situs of administration is changed.

(e) Notices

Unless otherwise stated, whenever this Agreement calls for notice, the notice must be in writing and must be personally delivered with proof of delivery, or mailed postage prepaid by certified mail, return receipt requested, to the last known address of the party requiring notice. Notice is effective on the date personally delivered or on the date of the return receipt. If a party giving notice does not receive the return receipt but has proof that he or she mailed the notice, notice will be effective on the date it would normally have been received by certified mail. If notice is required to be given to a minor or incapacitated individual, notice must be given to the minor or incapacitated individual's parent or Legal Representative.

(f) Severability

The invalidity or unenforceability of any provision of this Agreement does not affect the validity or enforceability of any other provision of this Agreement. If a court of competent jurisdiction determines that any

provision is invalid, the remaining provisions of this Agreement are to be construed as if the invalid provision had never been included in this Agreement.

(g) Acceptance

Each Member has reviewed this Agreement, accepts all its provisions, and agrees to be bound by all the terms, conditions, and restrictions contained in this Agreement.
