COMMERCIAL LEASE

THIS COMMERCIAL LEASE AGREEMENT (“Lease”, or “Agreement”) sets forth the current terms and conditions of the Lease as follows:

The parties to this Lease are **JAMES P. SULLIVAN**, whose address is P.O. Box 713, Palmer, AK 99645-0713 (hereinafter referred to as "Landlord"), and **Frosty Enterprises, LLC** whose address is 9300 N. Palmer Fishhook Rd., Palmer, AK 99645 (hereinafter referred to as "Tenant").

WITNESSETH:

1. PREMISES AND TERM. In consideration of the obligation of Tenant to make payment as herein provided, and in consideration of the other terms, provisions and covenants hereof, Landlord hereby demises and leases to Tenant, and Tenant hereby takes from Landlord certain Premises situated at 9300 North Palmer-Fishhook Road, Palmer, Alaska 99645 (the “Premises”), with the Premises identified on the attached map. The Premises include appurtenances such as the parking area, roadways, means of ingress and egress and service areas.

TO HAVE AND TO HOLD the same for a term commencing on December 19, 2019 and ending on December 31, 2022.

2. RENT. Tenant agrees to pay Landlord rent, without deduction or set off, in monthly installments of Two Thousand Dollars (\$2,000.00), plus such add-ons as noted below, commencing on December 19, 2019 and on the first day of each succeeding calendar month through December 1, 2022.

3. USE. The demised Premises shall be used by Tenant only for the purpose of growing, processing (including what is referred to as "manufacturing"), and selling commercially produced marijuana.

Tenant agrees to maintain the Premises and adjacent parking area and driveways in a clean and orderly condition and to store any garbage or trash in covered metal containers inside the Premises, or, if permitted by Landlord, in metal containers outside the Premises at a location designated by Landlord. At the termination of this Agreement, Tenant shall leave the Premises in a "broom clean" condition and in the same condition as at the commencement of this Lease, reasonable wear and tear excepted. Absent written consent by Landlord, Tenant agrees not to store in or about the Premises any gasoline, distillates, or other petroleum products or any other substance or material of an explosive, inflammable or radiological nature which may endanger any part of the Premises or its occupants, business patrons or invitees, or present any unusual fire, explosion or other damaging or dangerous hazard, nor use acetylene torches on, in or about the Premises. Tenant agrees to refrain from causing any objectionable odors or sounds; from causing any public or private nuisance or act or thing which may disturb the quiet enjoyment of any other tenants or adjacent landowners; from causing any obstructions of any type on the driveway and parking areas other than when in the process of loading or unloading and in the parking of vehicles in the locations designated by Landlord.

Tenant will not at any time, during the term of this Lease, carry any stock of goods or do anything in or about the Premises which will in any way tend to increase the insurance rates upon the building of which the premise are a part nor shall any use be made or permitted of the Premises or any part thereof, nor do any acts which will violate, make inoperative, or increase the existing rate of any insurance policy at any time held by or in any way for the benefit of Landlord pursuant to any provisions of this Lease. Tenant agrees to pay to the Landlord forthwith upon demand the amount of any increase in premiums for insurance that may be charged during the term of this Lease in the amount of insurance to be carried by Landlord on the Premises resulting from the foregoing or from Tenant doing any act in or about said Premises which does so increase the insurance rates, whether or not the Landlord shall have consented to such act on the part of Tenant. If Tenant installs upon the Premises any electrical equipment which constitutes an overload on the electrical lines of the Premises, Tenant shall at its own expense make whatever charges are necessary to comply with the requirements of the insurance underwriters, any governmental authority having jurisdiction thereover and the Landlord, but nothing herein contained shall be deemed to constitute Landlord's consent to such overloading.

Tenant shall at its own cost and expense obtain any and all licenses and permits necessary for any such use. Tenant shall comply with all governmental laws, ordinances

and regulations applicable to the Use of the Premises, including, but not limited to, local fire codes, zoning regulations, and occupancy codes; provided, however, that federal laws and regulations prohibiting the production of marijuana and industrial hemp are expressly excluded from the legal requirements with which Tenant is required to comply herein. Tenant will promptly provide to Landlord copies of all communications to or from any government entity that relate to the Use or Tenant's noncompliance or alleged noncompliance with any laws or other government requirements (including federal laws) impacting the Premises. Tenant shall promptly comply with all governmental orders and directives for the correction, prevention, and abatement of nuisances in, upon, or connected with the Premises, all at Tenant's sole expense.

4. TAXES AND ASSESSMENTS.

(A) Landlord agrees to pay before they become delinquent all taxes (both general and special), assessments or governmental charges (hereinafter collectively referred to as "taxes") lawfully levied or assessed against the Premises or any part thereof for the taxable year in which this Lease commences hereinafter referred to as the "commencement year", and a like sum towards the payment of said taxes and assessments levied each and every year thereafter during the term of this Lease; provided, however, Landlord may, at its sole cost and expense (in its own name or in the name of both, as it may deem appropriate) dispute and contest the same, and in such case, such disputed item need not be paid until finally adjudged to be valid. At the conclusion of such contest, Landlord shall pay the items contested to the extent that they are held valid together with all items, court costs, interest and penalties relating thereto. As additional rent, Tenant shall pay to Landlord a sum equal to fifty percent (50%) of the difference in the amount paid by Landlord and the total amount of said taxes thereafter levied against the leased Premises or any part thereof for each and every taxable year during the Term, which payment shall be made by Tenant on the due date of the next rental payment required under the terms hereof following presentation by Landlord to Tenant of an authenticated statement setting forth the computation of said additional payment necessitated by any increase in taxes or assessments for all taxable years after the commencement year of this Lease.

(B) Tenant shall pay all taxes, assessments, license fees and public charges levied upon its business operation, trade fixtures, leasehold improvements, merchandise and other personal property in or about the Premises. In the event any such items of property are assessed with property of the Landlord, such assessment shall be equitably divided between Landlord and Tenant to the end that Tenant shall pay only its equitable proportion of such assessment.

(C) If at any time during the term of this Lease, the present method of taxation shall change so that in lieu of the whole or any part of any taxes, assessments, levies or charges levied, assessed or imposed on real estate or the improvements thereon there shall be levied, assessed or imposed on Landlord a capital levy or other tax directly on the rents received therefrom and/or a franchise tax, assessment, levy or charge measured by or based in whole or in part upon such rents for the present or any future building or buildings on the Premises, then all such taxes, assessments, levies or charges, or the part hereof so measured or based, shall be deemed to be included within the term "taxes" for the purposes hereof.

5. LANDLORD'S REPAIRS. Landlord agrees to maintain at its expense only the roof, foundation and exterior walls (to the extent related to foundation and support) of the building in good repair, reasonable wear and tear excepted. Tenant understands that, effective upon execution of this Lease, it will be responsible for maintaining the heating equipment for the Premises, the exterior walls to the extent that the maintenance does not include issues related to the foundation or support of the building, and the portion of the parking lot which serves Tenant's Premises.

For any foundation or exterior work that needs to be addressed by Landlord, and which is not caused by tortuous conduct of Tenant or Tenant's customers, guests or invitees, Tenant shall immediately give Landlord written notice of defect or need for repairs, after which Landlord shall have reasonable opportunity to repair same or cure such defect. Landlord's liability hereunder shall be limited to the cost of such repairs or curing such defects.

(A) Snow Removal. Tenant shall be responsible for parking lot snow removal, sanding and spring lot sweeping.

6. TENANT'S REPAIRS. Tenant shall at its own cost and expense maintain and repair or replace all of the leased Premises, including but not limited to windows, glass and plate glass, all window sash, casement or frames, doors, pedestrian and overhead, door frames, locks and closing devices, any special store front, interior walls, finish work and insulation, floors and floor covering and lighting fixtures. Any exterior or interior graffiti on or to the leased Premises shall be immediately removed, or painted over, by Tenant. In addition, Tenant will be responsible for such other non-foundation related repairs that may be required to the exterior walls of the building to the extent they are encompassed by Tenant's leased Premises.

(A) Additional Maintenance. Tenant is responsible for the following additional maintenance during the term of this Lease:

(i) Maintenance of the heating system. The performance of any warranty work on the furnace is assigned to Tenant during the term of this Lease;

(ii) All interior and exterior maintenance on the building and Premises covered by this Lease to the extent not covered by Landlord's insurance for claims thereunder.

To the extent that work needs to be done under the foregoing, Tenant will advise Landlord to inquire as to whether the maintenance would be covered by insurance. Landlord agrees to reasonably cooperate with Tenant with respect to tender of any such claim, but ultimate responsibility for insuring that the leased Premises does not suffer any loss shall be the burden of Tenant.

7. ALTERATIONS. Tenant shall not make any alterations, additions, or improvements to the Premises without the prior written consent of Landlord. In no event shall Tenant make or cause to be made any penetration through the roof of the Premises, erect or increase the size of any mezzanine, or make any changes to the water, sewer, electrical, or gas systems without the written consent of the Landlord. At the termination of this Lease, Tenant shall, if Landlord so elects, remove all alterations, additions and partitions erected by Tenant and restore the Premises to their original condition; otherwise such improvements shall be delivered up to the Landlord with the Premises. All shelves, blinds, machinery and trade fixtures installed by Tenant may be removed by Tenant at the termination of this Lease if Tenant so elects, and shall be removed if required by Landlord. All such removals and restoration shall be accomplished in a good and workmanlike manner so as not to damage the primary structure or Premises.

8. SIGNS. Tenant shall have the right to install signs upon the exterior of said building only when first approved in writing by Landlord and subject to any applicable governmental laws, ordinance, regulations and other requirements. Tenant shall not place graphics or paint on the exterior of the building, nor place awnings, marquees, or other structures without the written consent of the Landlord. Tenant shall remove all such signs at the termination of this Lease. Such installations and removals shall be made in such manner as to avoid injury or defacement of the building and other improvements.

9. INSPECTION. Landlord and Landlord's agents and representatives shall have the right to enter and inspect the Premises at any time during reasonable business hours, for the purpose of ascertaining the condition of the Premises or in order to make such repairs as may be required to be made by the building owners under the terms of this Lease. All inspections shall be noticed to Tenant with reasonable notice and all agents, representatives of landlord shall be over the age of 21 and shall comply with Tenant's visitor policy, show government issued ID, wear a visitor badge, remain in eye sight of a designated Tenant agent, comply with and sign into the log in sheet and sign out when leaving the premises, as is required by the Alaska Marijuana Control Board Regulations. At no time shall Landlord have more than five persons enter the premises. During the period that is three (3) months prior to the end of the term hereof, Landlord and Landlord's agents and representative shall have the right to enter the Premises at any time during reasonable business hours for the purpose of showing the Premises and shall have the right to erect on the Premises a suitable sign indicating the Premises are available.

10. UTILITIES. Tenant agrees to pay Landlord all of any sums billed to Landlord for gas heating expenses. Landlord shall make this information available to Tenant on a monthly basis, with payment due within thirty (30) days.

Tenant is responsible for all other utilities including electric, water and wastewater, phone and refuse service.

Landlord shall not be liable in damages or otherwise for any failure or interruption of any utility service being furnished the Premises, unless Landlord fails to pay Landlord's costs for such service which is not separately metered and no such failure or interruption shall entitle Tenant to terminate this Lease. In the event Landlord elects to discontinue furnishing any such utility service to the Premises for reasons other than the nonpayment by Tenant of any utility charge or other rental payment required hereunder, Tenant shall have the right to use all existing conduits and facilities situated in the Premises.

11. ASSIGNMENT AND SUBLETTING. Tenant shall not have the right to assign this Lease or to sublet the whole or any part of the Premises without the prior written consent of Landlord; notwithstanding any permitted assignment or subletting, Tenant shall at all times remain fully responsible and liable for the payment of the rent herein specified and for compliance with all of its other obligations under the terms, provisions and covenants of this Lease. Upon the occurrence of an "event of default" as hereinafter defined, if the Premises or any part thereof are then assigned or sublet, Landlord, in addition to any other remedies herein provided, or provided by law, may at its option collect directly from such assignee or subtenant all rents becoming due to Tenant under such assignment or sublease and apply such rent against any sums due to it by Tenant hereunder, and so such collection shall not be construed to constitute a novation or a release of Tenant from the further performance of its obligations hereunder. Landlord shall have the right to assign any of its rights under this Lease.

12. FIRE AND CASUALTY DAMAGE.

(A) If the buildings situated on the Premises should be damaged or destroyed by fire or other casualty, Tenant shall give immediate written notice thereof to Landlord.

(B) If the buildings situated on the Premises should be totally destroyed by fire or other casualty, or if they should be so damaged that rebuilding or repairs cannot be completed within thirty (30) days after the date upon which Landlord is notified by Tenant of such damage, this Lease shall terminate and the rent shall be abated during the unexpired portion of this Lease, effective upon the date of the occurrence of such damage.

(C) If the buildings situated on the Premises should be damaged by fire or other casualty, but only to such extent that rebuilding or repairs can be completed within thirty (30) days after the date upon which Landlord is notified by Tenant of such damage, this Lease shall not terminate, but Landlord shall at its sole cost and expense proceed with reasonable diligence to rebuild and repair such buildings, to substantially the condition in which they existed prior to such damage, except that Landlord shall not be required to rebuild, repair or replace any part of the partitions, fixtures and other improvements which may have been placed on the Premises by Tenant. If the Premises are untenable in whole or in part following such damage, the rent payable hereunder during the period in which they are untenable shall be reduced to such extent as may be fair and reasonable under all of the circumstances. In the event that Landlord should fail to complete such repairs and rebuilding within thirty (30) days after the date upon which Landlord is notified by Tenant of such damage, Tenant may at its option terminate this Lease by delivering written notice of termination to Landlord as Tenant's exclusive remedy, whereupon all rights and obligations hereunder shall cease and determine.

(D) Notwithstanding anything herein to the contrary, in the event the holder of any indebtedness secured by a mortgage or deed of trust covering the Premises requires that the insurance proceeds be applied to such indebtedness, then Landlord shall have the right to terminate this Lease by delivering written notice of termination to Tenant, whereupon all rights and obligations hereunder shall cease and determine.

(E) Any insurance which may be carried by Landlord or Tenant against loss or damage to the buildings and other improvements situated on the Premises shall be for the sole benefit of the party carrying such insurance and under its sole control.

(F) Landlord and Tenant hereby release the other from any and all liability or responsibility to the other or anyone claiming through or under them by any of subrogation or otherwise for any loss or damage to property caused by fire or any of the extended coverage casualties covered by the insurance maintained hereunder, even if such fire or other casualty shall have been caused by the fault or negligence of the other party, or anyone for whom such party may be responsible; provided, however, that this release shall be applicable and in force and effect only with respect to loss or damage occurring during such time as the releasor's policies shall contain a clause or endorsement to the effect that any release shall not adversely affect or impair such policies or prejudice the right of the releasor to recover thereunder. Each of Landlord and Tenant agrees that it will request its insurance carriers to include in its policies such a clause or endorsement. If extra cost shall be charged therefore, each party shall advise the other thereof and of the amount of the extra cost, and the other party, at its election, may pay the same, but shall not be obligated to do so.

(G) Landlord covenants and agrees to maintain standard fire and extended coverage insurance covering the building on the Premises in an amount not less than

eighty per cent (80%) of the replacement cost thereof. Lessee agrees to pay fifty percent (50%) of any increase in the cost of said insurance after the date this Lease is commenced, within twenty (20) days after demand therefor. Landlord shall furnish Tenant a statement showing the computation of the amount due. The failure to pay such excess shall be treated in the same manner as a default in the payment of rent hereunder when due.

(H) Tenant shall maintain in full force on all of its fixtures and equipment in the leased Premises, a policy or policies of fire and extended coverage insurance to the extent of at least eighty percent (80%) of their insurable value. During the lease term, the proceeds from any such policy or policies of insurance shall be used for the repair and replacement of fixtures and equipment so insured. Landlord shall have no interest in the insurance upon Tenant's equipment and fixture and will sign all documents necessary or proper in connection with the settlement of any claim or loss by Tenant.

(I) Landlord may procure earthquake insurance effective as of the effective date of this Lease. If such insurance is procured, Tenant shall be responsible for one-half of any premium increase for this insurance, in subsequent years, as additional rent. Tenant shall be responsible for payment of this premium increase after Lease inception within thirty (30) days of invoicing. Failure to timely reimburse Landlord shall be considered a breach of this Lease Agreement pursuant to Section 17 below.

13. LIABILITY. Landlord shall not be liable to Tenant or Tenant's employees, agents, patrons, or visitors, or to any other person whomever, for any injury to person or damage to property on or about the Premises, caused by the negligence or misconduct of Tenant, its agents, servants or employees, or of any other person entering upon the Premises under express or implied invitation of Tenant, or caused by the building and improvements located on the Premises becoming out of repair, or due to any cause whatsoever, and Tenant agrees to indemnify Landlord and hold it harmless from any loss, expense or claims, including attorneys' fees, arising out of any such damage or injury, except that any injury to person or damage to property caused by the negligence of Landlord or by the failure of Landlord to repair and maintain that part of the Premises which Landlord is obligated to repair and maintain after the receipt of written notice from Tenant of needed repairs or of defects shall be the liability of Landlord and not of Tenant, and Landlord agrees to indemnify Tenant and hold it harmless from any and all loss, expense or claims, including attorneys' fees, arising out of such damage or injury. Tenant shall procure and maintain throughout the term of this Lease a policy or policies of insurance at its sole cost and expense, insuring both Landlord and Tenant against all claims, demands or actions arising out of or in connection with Tenant's use or occupancy of the Premises, or by the condition of the Premises, the limits of such policy or policies to be in an amount not less than \$1,000,000.00 in respect of injuries to or death of any one person, and in an amount not less than \$1,000,000.00 in respect of any one accident or disaster, and in an amount not less than \$100,000.00 in respect of property damaged or destroyed, and to be written by insurance companies qualified to do business in the state

in which the Premises are located. Tenant shall furnish Landlord with a certificate of such policy and whenever required, shall satisfy Landlord that such policy is in full force and effect. Such policy shall name Landlord as an additional insured and shall be primary and non-contributing with and not in excess of any insurance carried by Landlord. The policy shall further provide that it shall not be cancelled or altered without thirty (30) days prior written notice to Landlord and renewals thereof as required shall be delivered to Landlord at least ten (10) days prior to the expiration of the respective policy terms.

14. CONDEMNATION.

(A) If the whole or any substantial part of the Premises should be taken for any public or quasi-public use under governmental law, ordinance or regulation, or by right of eminent domain, or by private purchase in lieu thereof, this lease shall terminate and the rent shall be abated during the unexpired portion of this Lease, effective when the physical taking of said Premises shall occur.

(B) If less than a substantial part of the Premises shall be taken for any public or quasi-public use under any governmental law, ordinance or regulation, or by right of eminent domain, or by private purchase in lieu thereof, this Lease shall not terminate, but the rent payable hereunder during the unexpired portion of this Lease shall be reduced to such extent as may be fair and reasonable under all of the circumstances.

(C) In the event of any such taking or private purchase in lieu thereof, Landlord and Tenant shall each be entitled to receive and retain such separate awards and/or portion of lump sum awards as may be allocated to their respective interests in any condemnation proceedings.

15. HOLDING OVER. Should Tenant, or any of its successors in interest, hold over the Premises or any part thereof, after the expiration of the term of this Lease, unless otherwise agreed in writing, such holding over shall constitute and be construed as tenancy from month to month only, at a rental equal to the rental payable for the last month of the term of this lease plus twenty per cent (20%) of such amount. The inclusion of the preceding sentence shall not be construed as Landlord's permission for Tenant to hold over.

16. QUIET ENJOYMENT. Landlord represents and warrants that it has full right and authority to enter into this Lease and that Tenant, upon paying the rental herein set forth and performing its other covenants and agreements herein set forth, shall peaceably and quietly have, hold and enjoy the Premises for the term hereof without hindrance or molestation from Landlord, subject to terms and provisions of this Lease.

17. EVENTS OF DEFAULT. The following events shall be deemed to be events of default by Tenant under this Lease.

(A) Tenant shall fail to pay any installment of the rent or the security deposit (if any) hereby reserved when due, and such failure shall continue for a period of ten (10) days from the date such installment was due.

(B) Tenant shall become insolvent, or shall make a transfer in fraud to creditors, or shall make an assignment for the benefit of creditors.

(C) Tenant shall file a petition under any section or chapter of the National Bankruptcy Act, as amended, or under any similar law or statute of the United States or any State thereof; or Tenant shall be adjudged bankrupt or insolvent in proceedings filed against Tenant thereunder.

(D) A receiver or trustee shall be appointed for all or substantially all of the assets of Tenant.

(E) Tenant shall desert or vacate any substantial portion of the Premises.

(F) Tenant shall fail to comply with any term, provision or covenant of this Lease, and shall not cure such failure within twenty (20) days after written notice thereof to Tenant.

18. REMEDIES. Upon the occurrence of any of such events of default described above, Landlord shall have the option to pursue any one or more of the following remedies without any notice or demand whatsoever:

(A) Terminate this Lease, in which event Tenant shall immediately surrender the Premises to Landlord, and if Tenant fails to do so Landlord may, without prejudice to any other remedy which it may have for possession or arrearages in rent, enter upon and take possession of the Premises and expel or remove Tenant and any other person who may be occupying such Premises or any part thereof, by force, if necessary, without being liable for prosecution or any claim of damages therefore and Tenant agrees to pay to Landlord on demand the amount of all loss and damage which Landlord may suffer by reason of such termination, whether through inability to relet the Premises on satisfactory terms or otherwise.

(B) Enter upon and take possession of the Premises and expel or remove Tenant and any other person who may be occupying such Premises or any part thereof, by force if necessary, without being liable for prosecution or any claim for damages therefore and relet the Premises and receive the rent therefore and Tenant agrees to pay to the Landlord on demand any deficiency that may arise by reason of such reletting.

(C) Enter upon the Premises by force if necessary without being liable for prosecution of any claim for damages therefore and do whatever Tenant is obligated to do under the terms of this Lease; and Tenant agrees to reimburse Landlord on demand for any expenses which Landlord may incur in thus effecting compliance with Tenant's obligations under this Lease, and Tenant further agrees that Landlord shall not be liable for any damages resulting to the Tenant from such action, whether caused by negligence of Landlord or otherwise.

In the event of any entry in, or taking possession of, the leased Premises as aforesaid, the Landlord shall have the right, but not the obligation, to remove from the leased Premises all personal property located therein, and may store the same in any place selected by Landlord, including but not limited to a public warehouse, at the expense and risk of the owners thereof, and with the right to sell such stored property, without notice to Tenant. After it has been stored for a period of thirty (30) days or more, the proceeds of such sale to be applied first to the cost of such sale, second to the payment of the charges for storage, if any, and third to the payment of any other sums of money which may then be due from Tenant to Landlord under any of the terms hereof, the balance, if any, to be paid to Tenant. Tenant hereby expresses consent for Landlord to re-enter in the event of default without resorting to the remedies provided in the unlawful detainer statutes.

In the event Tenant fails to pay any installment of rent hereunder as and when such installment is due, Tenant shall pay to Landlord on demand a late charge in an amount of Thirty and No/100 Dollars (\$30.00) per day; and the failure to pay such amount within ten (10) days after demand therefore shall be an event of default hereunder. The provision for such late charge shall be in addition to all of Landlord's other rights and remedies hereunder or at Law and shall not be construed as liquidated damages or as limiting Landlord's remedies in any manner.

Pursuit to any of the foregoing remedies shall not preclude pursuit of any other remedies herein provided or any other remedies provided by law, nor shall pursuit of any remedy herein provided constitute a forfeiture or waiver of any rent due to Landlord hereunder or of any damages occurring to Landlord by reason of the violation of any of the terms, provisions and covenants herein contained. No waiver by Landlord or any violation or breach of any of the terms, provisions and covenants herein contained shall be deemed or construed to constitute a waiver of any other violation or breach of any of the terms, provisions and covenants herein contained. Landlord's acceptance of the payment of rental or other payments hereunder after the occurrence of an event of default shall not be construed as a waiver of such default, unless Landlord so notified Tenant in writing. Forbearance by Landlord to enforce one or more of the remedies herein provided upon an event of default shall not be deemed or construed to constitute a waiver of such default. If, on account of any breach or default by Tenant in Tenant's obligation

under the terms and conditions of this Lease, it shall become necessary or appropriate for Landlord to employ or consult with an attorney concerning or to enforce or defend any of Landlord's rights or remedies hereunder, Tenant agrees to pay any reasonable attorney's fees. No act or thing done by the Landlord or its agents during the term hereby granted shall be deemed an acceptance of the surrender of the Premises, and no agreement to accept a surrender of said Premises shall be valid unless in writing signed by Landlord. The receipt by Landlord of rent with knowledge of the breach of any covenant or other provision contained in this Lease shall not be deemed or construed to constitute a waiver of any other violation or breach of any of the terms, provisions and covenants contained herein.

Landlord shall not take into its possession any marijuana or marijuana product and shall contact the State of Alaska AMCO prior to any access into or around the license premises if Tenant cannot be reached, abandons the property, or similar type of event. Additionally, Landlord will ensure that it and any of its employees or agents, will respect and adhere to the Tenant's visitor policy, provide government issued ID ensuring that any agent or employee of Landlord is over the age of 21, sign in and out of the visitor log provided by Tenant, wear the Tenant's visitor badge, and remain in direct eye sight of designated Tenant agent.

Tenant hereby agrees to execute such financing statements and other instruments necessary or desirable in Landlord's discretion to perfect the security interest hereby created. Any statutory lien for rent is not hereby waived, the express contractual lien herein granted being in addition and supplementary thereto. Landlord understands that the lien provided by this paragraph may be subordinate to Tenant's business inventory and/or fixture financing.

20. MORTGAGES. Tenant accepts this Lease subject and subordinate to any mortgage(s) and/or deed(s) of trust now or at any time hereafter constituting a lien or charge upon the Premises or the improvements situated thereon. required by any mortgagee for the purpose of subjecting and subordinating this Lease to the lien of any such mortgage. With respect to any mortgage(s) and/or deed(s) of trust at any time hereafter created which constitute a lien or charge upon the leased Premises or the improvements situated thereon, Landlord at its sole option shall have the right to waive the applicability of this paragraph so that this Lease would not be subject and subordinate to such mortgage(s) or the deed(s) of trust.

21. LANDLORD'S DEFAULT. In the event Landlord should become in default in any payments due on any such mortgage described in Paragraph 20 hereof or in the payment of taxes or any other items which might become a lien upon the Premises, and which Tenant is not obligated to pay under the term and provisions of this Lease, Tenant is authorized and empowered after giving Landlord five (5) days' prior written notice of such default and Landlord fails to cure such default, to pay any such items for and on behalf of Landlord, and the amount of any item so paid by Tenant for or on behalf of Landlord, together with any interest on penalty required to be paid in connection therewith, shall be payable on demand by Landlord to Tenant; provided, however that Tenant shall not be authorized and empowered to make any payment under the terms of this Paragraph 21, unless the item paid shall be superior to Tenant's interest hereunder. In the event Tenant pays any mortgage debt in full, in accordance with this paragraph, it shall, at its election, be entitled to the mortgage security by assignment or subrogation.

22. MECHANIC'S LIENS. Tenant shall have no authority, express or implied, to create or place any lien or encumbrance of any kind or nature whatsoever upon, or in any manner to bind, the interest of Landlord in the Premises or to charge the rentals payable hereunder for any claim in favor of any person dealing with Tenant, including those who may furnish materials or perform labor for any construction or repairs, and each such claim shall affect and each such lien shall attach to, if at all, only the leasehold interest granted to Tenant by this instrument. Tenant covenants and agrees that it will pay or cause to be paid all sums legally due and payable by it on account of any labor performed or materials furnished in connection with any work performed on the Premises on which any lien is or can be validly and legally asserted against its leasehold interest in the Premises or the improvements thereon and that it will save and hold Landlord harmless from any and all loss, cost or expense based on or arising out of asserted claims or liens against the leasehold estate or against the rights, titles and interest of the Landlord in the Premises or under the terms of this Lease.

1.3.3. If Company Property is distributed to a Member, the Capital Accounts of all Members shall be adjusted as if the distributed Property had been sold in a taxable disposition for the gross fair market value of such Property on the date of distribution (taking into account Section 7701 of the Code) and the Profit or Loss from such disposition allocated to the Members as provided in this **Exhibit B**.

1.3.4. If money or other Property (other than a *de minimis* amount) is (a) contributed to the Company by a new or existing Member in exchange for an interest in the Company; or (b) distributed

by the Company to a retiring or continuing Member as consideration for an interest in the Company; then, if the Members deem such an adjustment to be necessary to reflect the economic interests of the Members, the Book Value of the Company's Property shall be adjusted to equal its gross fair market value on such date (taking into account Section 7701(g) of the Code) and the Capital Accounts of all Members shall be adjusted in the same manner as if all the Company Property had been sold in a taxable disposition for such amount on such date and the Profit or Loss allocated to the Members as provided in this **Exhibit B**.

1.3.5. To the extent an adjustment to the tax basis of any Company asset pursuant to Code Section 734(b) or Code Section 743(b) is required, pursuant to Regulation Section 1.704-1(b)(2)(iv)(m), to be taken into account in determining Capital Accounts, the Book Value of the Company's Property and the Capital Account of the Members shall be adjusted in a manner consistent with the manner in which the Capital Accounts are required to be adjusted pursuant to that Section of the Regulations.

1.3.6. If any Interest is transferred pursuant to the terms of this Agreement, the transferee shall succeed to the Capital Account of the transferor to the extent the Capital Account is attributable to the transferred Interest. It is intended that the Capital Accounts of all Members shall be maintained in compliance with the provisions of Regulation Section 1.704-1(b), and all provisions of this Agreement relating to the maintenance of Capital Accounts or the Adjusted Book Value of Company Property shall be interpreted and applied in a manner consistent with that Section of the Regulations.

1.4. "*Code*" means the Internal Revenue Code of 1986, as amended, or any corresponding provision of any succeeding law.

1.5. "*Company Minimum Gain*" has the meaning set forth in Regulation Section 1.704-2(b)(2) for "partnership minimum gain."

1.6. "*Initial Book Value*" means, with respect to Property contributed to the Company by a Member, the Property's fair market value at the time of contribution and, with respect to all other Property, the Property's adjusted basis for federal income tax purposes at the time of acquisition.

1.7. "*Member Nonrecourse Debt*" has the meaning set forth in Section 1.704- 2(b)(4) of the Treasury Regulations for "partner nonrecourse debt."

1.8. "*Member Nonrecourse Debt Minimum Gain*" has the meaning set forth in Regulation Section 1.704-2(i) for "partner nonrecourse debt minimum gain."

1.9. "*Member Nonrecourse Deductions*" has the meaning set forth in Regulation Section 1.704-2(i) for "partner nonrecourse deductions."

1.10. "*Nonrecourse Deductions*" has the meaning set forth in Regulation Section 1.704-2(b)(1). The amount of Nonrecourse Deductions shall be determined according to the provisions of Regulation Section 1.704-2(c).

1.11. "*Nonrecourse Liability*" has the meaning set forth in Regulation Section 1.704-2(b)(3).

1.12. "*Profit*" and "*Loss*" means, for each Fiscal Year of the Company (or other period for which Profit or Loss must be computed), the Company's taxable income or loss determined in accordance with Code Section 703(a), with the following adjustments:

1.12.1. All items of income, gain, loss, deduction, or credit required to be stated separately pursuant to Code Section 703(a)(1) shall be included in computing taxable income or loss;

1.12.2. Any tax-exempt income of the Company, not otherwise taken into account in computing Profit or Loss, shall be included in computing Profit or Loss;

1.12.3. Any expenditures of the Company described in Code Section 705(a)(2)(B) (or treated as such pursuant to Regulation Section 1.704-1(b)(2)(iv)(i)) and not otherwise taken into account in computing Profit or Loss, shall be included in computing Profit or Loss;

1.12.4. If the Adjusted Book Value of Company Property differs from its adjusted basis for federal income tax purposes, then gain or loss resulting from any taxable disposition of Company property shall be computed by reference to the Adjusted Book Value of the Property disposed of rather than the adjusted basis of the property for federal income tax purposes;

1.12.5. If the Adjusted Book Value of Company Property differs from its adjusted basis for federal income tax purposes, then in lieu of the depreciation, amortization, or cost recovery deductions allowable in computing taxable income or loss, the depreciation, amortization (or other cost recovery deduction) shall be an amount that bears the same ratio to the Adjusted Book Value of such Property as depreciation, amortization (or other cost recovery deduction) computed for federal income tax purposes for such period bears to the adjusted tax basis of such Property. If the Property has a zero adjusted tax basis, the depreciation, amortization (or other cost recovery deduction) of such Property shall be determined under any reasonable method selected by the Company; and

1.12.6. Any items that are specially allocated pursuant to Sections 2.3 and 2.4 hereof shall not be taken into account in computing Profit or Loss.

1.13. “Treasury Regulations” or “Regulations” means the income tax regulations, including any temporary regulations, promulgated under the Code as such regulations may be amended from time to time (including corresponding provisions of succeeding regulations).

2. *Allocations.* After making any special allocations contained in Section 2.5, remaining Profits and Losses shall be allocated for any Fiscal Year in the following manner:

2.1. *Profits.*

2.1.1. First, Profits shall be allocated among the Members in proportion to the cumulative Losses previously allocated to the Member under Section 2.2.3 until the cumulative Profits allocated to each Member under this subparagraph equal the cumulative Losses previously allocated to each Member under Section 2.2.3;

2.1.2. Second, Profits shall be allocated proportionately among the Members until the cumulative Profits allocated to each Member under this subparagraph equal the cumulative Priority Return each Member has received through the end of the Fiscal Year plus Losses, if any, allocated to the Member under Section 2.2.2; and

2.1.3. Third, Profits shall be allocated to the Members in accordance with their Percentage Interests.

2.2. *Losses.*

2.2.1. First, Losses shall be allocated to the Members in proportion to the cumulative Profits previously allocated to the Members under Section 2.1.3 until the cumulative Losses allocated pursuant to this subparagraph to each Member are equal to the cumulative Profits previously allocated to each Member under Section 2.1.3.

2.2.2. Second, Losses shall be allocated to the Members in proportion to the cumulative Profits previously allocated to the Members under Section 2.1.2 until the cumulative Losses allocated pursuant to this subparagraph to each Member are equal to the cumulative Profits previously allocated to each Member under Section 2.1.2; and

2.2.3. Third, Losses shall be allocated to the Members in accordance with their Percentage Interests.

2.3. *Loss Limitations.*

2.3.1. *Adjusted Capital Account Deficit.* No Losses shall be allocated to any Member pursuant to Section 2.1 if the allocation causes the Member to have an Adjusted Capital Account Deficit or increases the Member's Capital Account Deficit. All Losses in excess of the limitations set forth in this Subsection shall be allocated to the other Members in accordance with the other Members' Percentage Interests until all Members are subject to the limitation of this Subsection, and thereafter, in accordance with the Members' interest in the Company as determined by the Members. If any Losses are allocated to an Member because of this Subsection, then notwithstanding any other provision of this Agreement, all subsequent Profits shall be allocated to the Members pro rata based on Losses allocated to them pursuant to this Subsection until each Member has been allocated an amount of Profits pursuant to this Subsection equal to the Losses previously allocated to that Member under this Subsection.

2.3.2. *Cash Method Limitation.* If the Company is on the cash method of accounting and more than 35% of the Company's Losses in any year would be allocable to Members who are limited entrepreneurs (within the meaning of § 464(e)(2) of the Code), then except as otherwise provided in Section 2.2.1, the Losses in excess of 35% otherwise allocable to those Members shall be specially allocated among the other Members in the ratio that each shares in Losses. If any Losses are allocated to a Member under this Subsection, then notwithstanding any other provision of this Agreement, all subsequent Profits shall be allocated to the Members pro rata based on Losses allocated to them pursuant to this Subsection until each Member has been allocated an amount of Profits pursuant to this Subsection in the current and previous Fiscal Years equal to the Losses allocated to that Member pursuant to this Subsection in previous Fiscal Years.

2.4. *Section 704(c) Allocations.*

2.4.1. *Contributed Property.* In accordance with Code Section 704(c) and the Regulations thereunder, as well as Regulation Section 1.704-1(b)(2)(iv)(d)(3), income, gain, loss, and deduction with respect to any property contributed (or deemed contributed) to the Company shall, solely for tax purposes, be allocated among the Members so as to take account of any variation between the adjusted basis of the property to the Company for federal income tax purposes and its fair market value at the date of contribution (or deemed contribution).

2.4.2. *Adjustments to Book Value.* If the Adjusted Book Value of any Company asset is adjusted as provided in clause (iv) of the definition of Capital Account, subsequent allocations of income, gain, loss, and deduction with respect to the asset shall, solely for tax purposes, take account of any variation between the adjusted basis of the asset for federal income tax purposes and its adjusted book value in the

manner as provided under Code Section 704(c) and the Regulations thereunder.

2.5. *Regulatory Allocations.* The following allocations shall be made in the following order:

2.5.1. *Company Minimum Gain Chargeback.* Except as set forth in Regulation Section 1.704-2(f)(2), (3), (4), and (5), if during any Fiscal Year there is a net decrease in Company Minimum Gain, each Member, prior to any other allocation pursuant to this Section IV, shall be specially allocated items of gross income and gain for such taxable year (and, if necessary, succeeding taxable years) in an amount equal to that Member's share of the net decrease of Company Minimum Gain, computed in accordance with Regulation Section 1.704-2(g)(2). Allocations of gross income and gain pursuant to this Subsection shall be made first from gain recognized from the disposition of Company assets subject to Nonrecourse Liabilities to the extent of the Minimum Gain attributable to those assets and, thereafter, from a pro rata portion of the Company's other items of income and gain for the taxable year. It is the intent of the parties hereto that any allocation pursuant to this Subsection shall constitute a "minimum gain chargeback" under Regulation Section 1.704-2(f).

2.5.2. *Member Nonrecourse Debt Minimum Gain Chargeback.* Except as set forth in Regulation Section 1.704-2(i)(4), if during any Fiscal Year there is a net decrease in Member Nonrecourse Debt Minimum Gain, each Member with a share of that Member Nonrecourse Debt Minimum Gain (determined under Regulation Section 1.704-2(i)(5)) as of the beginning of the Fiscal Year shall be specially allocated items of income and gain for such Fiscal Year (and, if necessary, succeeding Fiscal Years) in an amount equal to that Member's share of the net decrease in Member Nonrecourse Debt Minimum Gain, computed in accordance with Regulation Section 1.704-2(i)(4). Allocations of gross income and gain pursuant to this Subsection shall be made first from gain recognized from the disposition of Company assets subject to Member Nonrecourse Debt to the extent of the Member Minimum Gain attributable to those assets and, thereafter, from a pro rata portion of the Company's other items of income and gain for the Fiscal Year. It is the intent of the parties hereto that any allocation pursuant to this Subsection shall constitute a "minimum gain chargeback" under Regulation Section 1.704-2(i)(4).

2.5.3. *Qualified Income Offset.* If a Member unexpectedly receives an adjustment, allocation, or distribution described in Regulation Section 1.704- 1(b)(2)(ii)(d)(4), (5), or (6), then to the extent required under Regulations Section 1.704- 1(b)(2)(d), such Member shall be allocated items of income and gain of the Company (consisting of a pro rata portion of each item of Company income, including gross income and gain for that Fiscal Year) before any other allocation is made of Company items for that Fiscal Year, in the amount and in proportions required to eliminate the Member's Adjusted Capital Account Deficit as quickly as possible. This Subsection is intended to comply with, and shall be interpreted consistently with, the "qualified income offset" provisions of the Regulations promulgated under Code Section 704(b).

2.5.4. *Nonrecourse Deductions.* Nonrecourse Deductions for a Fiscal Year or other period shall be allocated among the Members in proportion to their Percentage Interests.

2.5.5. *Member Nonrecourse Deductions.* Any Member Nonrecourse Deduction for any Fiscal Year or other period attributable to a Member Nonrecourse Liability shall be allocated to the Member who bears the risk of loss for the Member Nonrecourse Debt in accordance with Regulation Section 1.704-2(i).

2.5.6. *Regulatory Allocations.* The allocations contained in Section 2.5 are contained herein to comply with the Regulations under Section 704(b) of the Code. In allocating other items of Profit or Loss, the allocations contained in Section 2.5 shall be taken into account so that to the maximum extent

possible the net amount of Profit or Loss allocated to each Member will be equal to the amount that would have been allocated to each Member if the allocations contained in Section 2.4 had not been made.

2.6. *Varying Interests; Allocations in Respect to Transferred Interests.* Profits, Losses, and other items shall be calculated on a monthly, daily, or other basis permitted under Code Section 706 and the Regulations. If any Interest is sold, assigned, or transferred in compliance with the provisions of this Agreement, profits, losses, each item thereof, and all other items attributable to such Interest for such period shall be divided and allocated between the transferor and the transferee by taking into account their varying interests during the period in accordance with Code Section 706(d), using any conventions permitted by law and selected by the Company.

2.7. *Tax Matters Partner.* The Manager shall be the Company's tax matters partner ("Tax Matters Partner") unless the Members designate a different Person to serve in this capacity. The Tax Matters Partner shall have all powers and responsibilities provided in Code Section 6221, et seq. The Tax Matters Partner shall keep all Members informed of all notices from government taxing authorities which may come to the attention of the Tax Matters Partner. The Company shall pay and be responsible for all reasonable third-party costs and expenses incurred by the Tax Matters Partner in performing those duties. The Company shall be responsible for any costs incurred by any Member with respect to a tax audit or tax-related administrative or judicial proceeding against the Member. The Tax Matters Partner shall not compromise any dispute with the Internal Revenue Service without the approval of the Members.

2.8. *Returns and Other Elections.* The Manager shall cause the preparation and timely filing of all tax returns required to be filed by the Company pursuant to the Code and all other tax returns deemed necessary and required in each jurisdiction in which the Company does business.

2.9. *Annual Accounting Period.* The annual accounting period of the Company shall be its Fiscal Year. The Company's Fiscal Year shall be selected by the Manager, subject to the requirements and limitations of the Code.

2.10. *Knowledge.* The Members acknowledge that they understand the economic and income tax consequences of the allocations and distributions under this Agreement and agree to be bound by the provisions of this **Exhibit B** in reporting their taxable income and loss from the Company.

2.11. *Amendment.* The Manager is hereby authorized, upon the advice of the Company's tax counsel, to amend this **Exhibit B** to comply with the Code and the Regulations promulgated under Code Section 704(b); provided, however, that no amendment shall materially affect the distributions to an Member without the Member's prior written consent.

EXHIBIT C**Formula For Determining an Appraiser to Determine the Purchase Price Of A Transferring Holder's Interest Pursuant To Section VII**

When required pursuant to Section VII of this Agreement, the value of an Interest will be determined by a valuation professional accredited in business valuation by the AICPA or American Society of Appraisers ("Appraiser"). Such Appraiser shall be jointly selected by the Company and the Transferring Holder within fifteen (15) days after Manager's and the other Members' actual knowledge of the Transferring Holder's Transfer. The cost of the Appraiser shall be borne equally by the Company and the Transferring Holder. If a mutually satisfactory Appraiser cannot be selected, then the Company and the Transferring Holder each shall select and pay for its own Appraiser and the two Appraisers shall attempt to reconcile their valuations to arrive at a single valuation. If they are unable to do so, they shall jointly select a third Appraiser to value the Transferring Holder's Interest. The cost of the third Appraiser shall be borne equally by the Company and the Transferring Holder. The three Appraisers shall attempt to reconcile their valuations to arrive at a single valuation. If they are unable to do so, then the middle of the three appraisals shall be used as the valuation. The standard of value shall be fair market value.

If applicable, each party shall appoint its Appraiser within seven (7) days after the parties determine they cannot agree on a single Appraiser. The two Appraisers appointed shall select a third Appraiser within seven (7) days after they determine they cannot agree on a single valuation. The Appraisers shall be instructed to provide their valuations within thirty (30) days after their appointment.
