Application Roll-Backs

At the July 7, 2016 MCB meeting, the board supported my policy of doing a *one-time only* roll-back for applicants in "Initiated", "Under Review", "Incomplete", or "Complete" statuses, and *only* if it's for the purpose of adding additional licensees or affiliates. As a result of recent banking issues, the licensing team is applying this same policy to applicants who wish to remove licensees or affiliates.
