Subject: Licenses on Agenda for Board Consideration of Denial- Tundra Fire # 10677 and 10678
Date: Friday, August 19, 2016 3:55:37 PM

Dear Tundra Fire LLC:

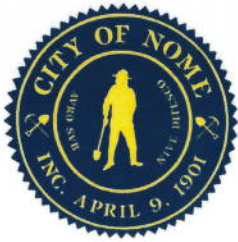

This letter is to inform you that your license applications for marijuana licenses number 10677 and 10678, Tundra Fire, LLC, is being placed on the agenda for the MCB meeting September 7-8, 2016 in Anchorage for consideration of denial of the license.

The reason the board must consider denial is because you have publically noticed that your cultivation facility will be located within 500 feet of a youth center. 3 AAC 306.010(a) states that "the board will not issue a marijuana establishment license if the licensed premises will be located within 500 feet of a . . . youth center."

We did check with the City of Nome and confirmed that your premises address which you publically noticed is within 500 feet of the Checkpoint Youth Center.

Please plan to attend the board meeting regarding this application, either in person or by phone. Because your applications have only been initiated, please do not attempt to pay the fees to move these applications to under review status before the board meeting. Payment will not be accepted at this time.

Dear Ms. Franklin,

Allow this letter to serve as a formal protest by the City of Nome to commercial license applications submitted by Tundra Fire LLC for a Retail Marijuana Store and a Standard Marijuana Cultivation Facility at 229 Front Street in Nome, Alaska.

It appears that the primary entrance for the proposed facility is situated less than 500 feet from the Checkpoint Youth Center. Attached you will find a resolution passed by the Nome Common Council at their August 22nd regular meeting.

If you have any questions, please don't hesitate to contact me.

Sincerely,

CITY OF NOME
