

Alaska Marijuana Control Board Form MJ-02: Premises Diagram

What is this form?

A detailed diagram of the proposed licensed premises is required for all marijuana establishment license applications, per 3 AAC 306.020(b)(8). **All areas designated as the licensed premises of a single license must be contiguous.**

What must be submitted with this form?

Applicants must attach multiple diagrams to this form, including (as applicable):

- **Diagram 1:**
a diagram showing only the licensed premises areas that will be ready to be **operational at the time of your preliminary inspection** and license issuance;
- **Diagram 2:**
if applicable, a diagram outlining any area(s) that you **plan to expand your licensed premises into at a later date**, and clearly showing their adjacency to your current proposed premises (*details of the planned expansion area do not need to be included; a complete copy of Form MJ-14: Licensed Premises Diagram Change must be submitted before the planned expansion area may be added to the licensed premises*);
- **Diagram 3:**
a **site plan/as-built of the entire lot**, showing all structures on the property and clearly indicating which area(s) will be part of the licensed premises; and
- **Diagram 4:**
a diagram of the **entire building in which the licensed premises is located**, clearly distinguishing the licensed premises from unlicensed areas and/or premises of other licenses within the building. If your proposed premises is located within a building or building complex that contains multiple business and/or tenants, please provide the addresses and/or suite numbers of the other businesses and/or tenants (*a separate diagram is not required for an establishment that is designating the entire building as a single licensed premises*).

This form, and all necessary diagrams that meet the requirements on Page 2 of this form, must be completed and submitted to AMCO's main office before any new or transfer license application will be considered complete.
