

MEMORANDUM

TO: Peter Mlynarik, Chair, and
Members of the Board

DATE: November 14, 2017

FROM: Erika McConnell, Director
Marijuana Control Board

RE: Regulations Project – Charging for
Multiple Inspections

Summary: Enforcement has developed a pre-inspection checklist for licensees to ensure that they are ready for an inspection before requesting one. While that has started to cut down on second and third (and subsequent) inspections, it has not eliminated them. In our large state and with a limited enforcement staff, visiting a facility for a second or third time can be costly and time-consuming. This regulations project adds a repeat inspection fee for those licensees who request an inspection but, due to not having completed all items on the pre-inspection checklist (e.g., not having plants tagged, not having premises set up consistent with board-approved diagram), then need a repeat visit(s) from Enforcement staff. The proposed repeat inspection fee is \$500 with the allowance to be waived by the director for good cause.

Recommendation: Put out for public comment.

3 AAC 306.100 is amended by adding a new subsection to read:

(h) The processing fee for a second or subsequent inspection for a new marijuana establishment is \$500.

(1) The fee is applicable if the marijuana establishment requests a preliminary inspection, fails and is not issued a license, and requires a subsequent inspection.

(2) The fee may be waived at the discretion of the director if a written request is submitted. (am __/__/____, Register____)
