### Alaska Marijuana Handler Permit Course

This course will cover everything you need to know in order to receive a permit to handle marijuana in the state of Alaska. Upon successful completion you will receive a certificate which you'll take to the Alaska Marijuana Control Office along with other supporting documents to receive your permit.

For complete details check out the [Permit Application Instructions](#) from the Alaska Marijuana Control Board.

In this course you will review the Alaska Statutes that regulate marijuana AS 17.37, AS 17.38. You will also review Title 3 (AAC 306) of the Alaska Administrative Code.

There are a few videos from the Control Board which outline the application process for licensing marijuana and have great information about the regulation of marijuana in Alaska.

You will go through a presentation highlighting the key aspects of how to handle marijuana properly.

Finally you will take a quiz with 25 questions. Passing grades are 84% or better (21/25). If you do not pass on the first try you may retake the course one additional time for free and try again.

### Let's start with the Law

There are three specific items that outline the law for regulating marijuana in Alaska. The first two are known as Alaska Statutes and are defined in detail by AS 17.37 and AS 17.38. The third is a section of the Alaska Administrative Code known as Title 3 AAC 306. Please take some time and review the actual laws that govern the regulation of marijuana.

## 3 AAC 306.310 - Acts Prohibited at a Retail Store

A retail store may NOT sell in one transaction more than.

- (1) Ounce of Marijuana
- (7) Grams of Marijuana Concentrate
- Marijuana or Marijuana products containing more than 5 Milligrams of THC

## Lesson 2: Effects of Use

### The Effects of Consumption of Marijuana and Marijuana Products

Using Marijuana can affect each person differently and is typically dependant on the type and amount used. The most common types are Flower, Concentrates, and Infusions.

- Can cause sleepiness and impaired coordination
- Can lead to paranoia and/or anxiety.
- Many users report a feeling of relaxation

## How to identify a person impaired by consumption of marijuana

Someone who has recently used marijuana may exhibit

- Bloodshot or glossy eyes
- Short term memory loss
- Extreme grinning and/or laughter

## Lesson 3: Valid Identification

## Make sure your customers are over 21

It is your responsibility to allow only customers over the age of 21 onto the licensed premises. Tips for a thorough check are

- Check the Date of Birth to ensure they are 21+
- Check the Expiration Date to ensure the ID is still valid
- Look at the picture to ensure this is in fact the person in front of you
- Check the ID for holograms which indicate authenticity

## How to intervene to prevent unlawful marijuana consumption

The best thing you can do to prevent unlawful consumption is to ensure every customer is over 21 years of age and lawfully allowed to be on your licensed premises.

When making a sell, ensure the product is packaged and sealed properly and remind the customer that it is unlawful to consume in the building or outside in public.

## Penalties for Unlawful Acts

All licensees, employees, or agents of a marijuana establishment are responsible for following the law according to AS 17.37, AS 17.38, and 3 AAC 306.

Any unlawful act can result in the suspension or revocation of an establishment license, and/or criminal charges against those involved.

A marijuana establishment, and any licensee, employee, or agent in charge shall cooperate with the director, and enforcement agent, and employee of the board, or a peace officer acting in an official capacity and must permit entry and inspection of the licensed premise as well as provide access to business records at reasonable times.
