Phone: 907.269.0350

**What is this form?**

This marijuana handler permit education course provider application is required for all persons and entities seeking to have a marijuana handler permit education course approved by the Marijuana Control Board. Applicants should review **3 AAC 306.700**.

**The course curriculum must cover at least the following topics:**

- AS 17.37, AS17.38, and 3 AAC 306
- The effects of consumption of marijuana and marijuana products
- How to identify a person impaired by consumption of marijuana
- How to determine valid identification
- How to intervene to prevent unlawful marijuana consumption
- The penalty for an unlawful act by a licensee, an employee, or an agent of a marijuana establishment
- A written test, demonstrating that each student has learned the information correctly

**This form must be submitted to AMCO's main office, along with a copy of the course curriculum, before any marijuana handler permit education course provider application will be considered by the board.**

**Applicant Information**

Enter information for the business seeking to be an approved marijuana handler permit education course.

### Curriculum: Marijuana Handler Permit Course

#### Table of Contents:

<b>Chapter 1 – Alaska Statutes 17.37</b> .....	<b>02</b>
<b>Chapter 2 – Alaska Statutes 17.38</b> .....	<b>03</b>
<b>Chapter 3 - Marijuana Establishment Regulations</b> .....	<b>05</b>
Section A – Article 1: Licensing .....	05
Section B – Article 2: Local Option .....	07
Section C – Article 3: Retail Marijuana Stores .....	07
Section D – Article 4 Marijuana Cultivation Facility .....	09
Section E – Article 5 Marijuana Product Manufacturing Facility .....	10
Section F – Article 6 Marijuana Testing Facility .....	12
Section G – Article 7 Operating Requirements for Marijuana Establishment .....	13
Section H – Article 8 Enforcement: Civil Penalties .....	15
Section I – Article 9 General Provisions .....	16
<b>Chapter 4 - Getting familiar with marijuana and marijuana products</b> .....	<b>18</b>
<b>Chapter 5 - ID's and penalties.</b> .....	<b>19</b>
<b>Exam Question Bank (W/ Answer Key)</b> .....	<b>Attachment 01</b>

**Objective:** To educate anyone and everyone involved in the marijuana industry to all pertinent information regarding the history, statutes, regulations, effects, and penalties involved in the marijuana industry. This is to ensure that all industry members from owners to bud tenders are familiar with the laws, regulations, effects, and penalties of the marijuana industry.

**Compliance:** Mandatory.

**Time Allotment:** Six (6) hours

#### **Implementation:**

This course will be offered in two (2) types:

- An online course that will be completed at the student's pace with a quiz after each section to ensure student is understanding and retaining the course materials.
- A classroom-setting will provide personal instruction with discussion as well as question and answer periods. It will be offered in six (6) hours of classroom and exam time with an hour lunch.

Both courses will have pictures/videos along with other visual aids to help with the retention of information.

Both courses will require the same test be completed at the end of the course.

### D) Article 4: Marijuana Cultivation Facilities

#### 3 AAC 306.400-.480

##### **.400 Marijuana Cultivation facilities license required**

- No cultivation for purpose of sale without license
- Types of cultivation licenses
- What must be provided for license
- No ownership in testing facility

##### **.405 Standard marijuana cultivation facility privileges and prohibited acts**

- List of privileges
- Other license types allowable with parameters
- List of prohibited acts

##### **.410 Limited marijuana cultivation facility: privileges and prohibited acts**

- Same privileges as standard under 500 sq. ft.

##### **.420 Application for marijuana cultivation facility license**

- How to apply for a license
- What is required to be provided for a license

##### **.425 Marijuana handlers permit required**

- MJ Handlers Permit required for all

##### **.430 Restricted access**

- All operation in restricted access area
- Allowable structures and parameters
- Detection and observation parameters for general public
- Video surveillance requirements

##### **.435 Marijuana inventory tracking system**

- Requirements for state marijuana inventory tracking system
- Recording of all sales and transports in tracking system
- Recording of all samples in tracking system
- Recording of all disposals in tracking system
- 

##### **.440 Health and safety requirements**

- All standard requirements for all establishment types
- Cleanliness and sanitation requirements

##### **.445 Standards for cultivation and preparation**

- Scale requirements

##### **.450 Production of marijuana concentrates prohibited**

- Concentrate production prohibited without product manufacturing licenses

# Canna\*Ed

## ALASKA'S CANNABIS EDUCATION SOURCE

- Parameters required if other license is obtained

### **.455 Required lab testing**

- Steps to collect, prepare, transport, and segregate samples required for testing

### **.460 Samples**

- Samples for customer requirements
- Samples for retail store to ensure sale requirements

### **.465 Random sampling**

- Board required sampling
- How samples are collected
- Who pays for samples tested

### **.470 Packaging of marijuana**

- Requirements for size and labeling
- Transport and tracking

### **.475 Labeling of marijuana**

- Labeling required for packaging to be sold directly to consumer
- "Organic" labeling prohibited
- Labeling required for wholesale packaging

### **.480 Marijuana tax to be paid**

- Monthly reports

## **E) Article 5: Marijuana Product Manufacturing Facility**

### **3 AAC 306.500-.570**

#### **.500 Marijuana product manufacturing facility required**

- No extraction or production of concentrates for purpose of sale unless licensed
- Public health, fire, safety, and tax in local area met
- No ownership in testing facility

#### **.505 Marijuana product manufacturing facility privileges**

- List of privileges

#### **.510 Acts prohibited at marijuana production manufacturing facility**

- List of prohibited acts
- Transport manifest required

#### **.515 Marijuana concentrate manufacturing facility license**

- List of privileges

#### **.520 Application for marijuana product manufacturing facility license**

- Required information to be provided for application process

# Canna \* Ed

## ALASKA'S CANNABIS EDUCATION SOURCE

### **.525 Approval of concentrates and marijuana products**

- Board approval required for all products
- How to receive approval for marijuana products
- Ingredient list requirements

### **.530 Marijuana handlers permit and food safety worker training**

- Marijuana handlers permit required for all personal
- Food worker card requirements

### **.535 Restricted access and storage areas**

- Extraction and manufacturing and restricted access requirements
- Video surveillance requirements
- Storage requirements
