

## MEMORANDUM

TO: Chair Mlynarik and Members of the Board      DATE: September 14, 2017

FROM: Erika McConnell, Director      RE: The Green Pearl #10188  
Standard Marijuana Cultivation  
Facility

The Green Pearl, LLC, is owned by Sanford Bowles and Roger Tischner. The board approved the license with delegation on April 5, 2017. The license remains in delegated status.

Mr. Bowles was denied a PFD in 2016. He submitted an MJ-18 and was determined to be a resident by Enforcement staff. He was denied a PFD again in 2017.

Mr. Bowles' letter, submitted with his MJ-18, indicates that he travels for work and is sometimes out of the state for more than six months in a calendar year.

3 AAC 306.015(e)(2) defines a "resident of the state" as "a person who meets the residency requirement under AS 43.23 for a permanent fund dividend in the calendar year in which that person applies for a marijuana establishment license under this chapter."

Mr. Bowles does not appear to meet the definition of a resident of the state and is thus ineligible to be a licensee.
