

## **MEMORANDUM**

**TO:** Marijuana Control Board    **DATE:** August 15, 2018

**FROM:** Erika McConnell, Director    **RE:** Baked Alaska, #15800,  
Product Manufacturing Facility

In June of 2018, the board approved this application with delegation. On July 24, 2018, AMCO received a timely protest by the City of Fairbanks due to the lack of a certificate of occupancy.

I recommend that the board rescind its prior approval with delegation, and then uphold the protest with a 90 day abeyance, to be in accordance with 3 AAC 306.060. The board should be clear on the record that assuming the protest is lifted within the 90 days, delegation will be in place pending the completion of all other requirements.
