Notice of Violation

(3AAC 306.805)

This form, all information provided and responses are public documents per Alaska Public Records ACT AS 40.25

Date: 4/13/18

Licensee: Kimberley Kole

DBA: Raspberry Roots

License #/Type: 10098, Standard Cultivation

Address: 501 Raspberry Rd. Ste 101&102

AMCO Case #: AB18000398

This is a notice to you as licensee that an alleged violation has occurred. If the Marijuana Control Board decides to act against your license, under the provisions of AS 44.62.330 - AS 44.62.630 (Administrative Procedures Act) you will receive an Accusation and Notice of your right to an Administrative Hearing.

Note: This is not an accusation or a criminal complaint.

Between 04/05/18 and 04/11/18 AMCO Investigators conducted a series of inspections of the Raspberry Roots retail store premises (lic# 10097). During this time it was discovered that the functional floor plan of the the cultivation premises (lic# 10098) had been modified by constructing additional rooms that were not reflected on the approved premises diagram on file with AMCO.

AMCO files for lic# 10098 show that an MJ-14 was approved by Director McConnell on 11/09/17. The associated diagram showed the first floor of the premises with an open area behind the retail area that was labeled "cultivation cure, trim, area packaging". Physical inspection showed this plan was not accurate as a large room had been added to the area that created hallways on sides of the new room and two new doors into the room.

The first floor diagram also depicts a larger warehouse area adjacent to the area described above. The diagram shows a room in the back corner named "Cave Room - 1" or "grow area" which is accessed by one door. Physical inspection again showed this was not accurate as the single Cave room on the diagram is now comprised of three rooms with three separate doors and the physical footprint of these rooms is larger as well. Two of these rooms are being utilized for drying and product storage and the third is for quarantine.

As a result of these modifications camera coverage was no longer adequate in restricted access areas.

Please see the attached diagram which shows all undocumented changes highlighted in yellow.

These are violations of 3 AAC 306.705 Licensed premise; alteration and 3 AAC 306.720 Video Surveillance.

3 AAC 306.805 provides that upon receipt of a Notice of Violation, a licensee may request to appear before the board and be heard regarding the Notice of Violation. The request must be made within ten days after receipt of the Notice. A licensee may respond, either orally or in writing, to the Notice. 3 AAC 306.810(3)(A)(B)(C) failed, within a reasonable time after receiving a notice of violation from the director, to correct any defect that is the subject of the notice of violation of AS 17.38 or this chapter, a condition or restriction imposed by the board or other applicable law.

IT IS RECOMMENDED THAT YOU RESPOND IN WRITING TO DOCUMENT YOUR RESPONSE FOR THE MARIJUANA CONTROL BOARD.

AMCO Case #: AB18000398

Dear Alcohol & Marijuana Control Office,

Raspberry Roots has filed an MJ-14 to register the additional walls with AMCO. For the time being, Raspberry Roots executive team has deemed the "cultivation cure, trim, area packaging" space unusable and no employees will enter the space. The doors are shut and locked.

MJ-14 Diagram Change was submitted April 19th.

As requested by AMCO, two additional cameras have been placed within the cultivation facility. One camera was installed in each of the two "cave" rooms in the warehouse in the location designated by enforcement. Additionally, the camera in the trim room has also been moved to meet the specification of AMCO representatives.

CIS Representative corrected cameras on April 14th & 15th.

The addressed Notice of Violation has been executed by Raspberry Roots and awaiting the next step from AMCO officers.

Thank you,

Kim Kole
