AK FUZZY BUDZ (10293)

AKGLD, LLC has re-reviewed 3AAC306.750 in regards to which license type can pick up/transport marijuana products to which license and apologize we did not catch that before violating the regulation. We should not have gone off another licensee stating it's allowed and will review the regulations first hand before pursuing similar things with other licensees.

In Review:

Our cultivation license can transport marijuana to another marijuana cultivation facility, marijuana product manufacturing facility, a marijuana testing facility, and retail marijuana stores.

A Marijuana product manufacturing facility may transport to another product manufacturing facility, testing facility or retail store, but not a cultivation facility.
