RE: License # 10592

To whom it may Concern,

On February 13, 2017 Mark Malagodi transported samples from my facility to his. I read through article 306 statutes before the transport and thought we were in compliance. I called Investigator Stonecipher for clarification before the event, she did not answer so I left a voice mail to call me back. I then called Brandon Emmett for help on the matter. Mr. Emmett respectfully declined to answer my questions because of his position on the AMCO board. The Transfer in Violation was my first transfer and I felt I had done my due diligence to be in compliance. Two days after the transfer I was contacted by Investigator Stonecipher regarding my voice mail, she informed me that Mark was not able to make the transfers gave me a verbal warning not to repeat the offence. The next transfer of samples to CannTest I transported myself as not to repeat the offence. CannTest has now completed an agreement with a separate company, TransCannLogistics to make the transfers. I was in no way deliberate in violating the rules and have corrected my operating plan to be in compliance.

Alaska Cannabis Cultivators had not submitted waste reports for the month of February. On 3/29/18 I went to the establishment and spoke with the licensee Branden Roybal. It was determined by the licensee's own admittance the waste was not being held for 3 days prior to reporting as required. Video footage was requested for 40 days for waste disposal.

On 4/4/18 licensee Branden Roybal reported via email the cameras were only recording for 4 days instead of the required 40 days. The DVR only had the capacity to store 40 days in motion detection only mode.

This is a violation of 3 AAC 306.740(c)(1) Waste Disposal and 3 AAC 306.720(e) Video Surveillance.

3 AAC 306.805 provides that upon receipt of a Notice of Violation, a licensee may request to appear before the board and be heard regarding the Notice of Violation. The request must be made within ten days after receipt of the Notice. A licensee may respond, either orally or in writing, to the Notice. 3 AAC 306.810(3)(A)(B)(C) failed, within a reasonable time after receiving a notice of violation from the director, to correct any defect that is the subject of the notice of violation of AS 17.38 or this chapter, a condition or restriction imposed by the board or other applicable law.

IT IS RECOMMENDED THAT YOU RESPOND IN WRITING TO DOCUMENT YOUR RESPONSE FOR THE MARIJUANA CONTROL BOARD.

Subject: AMCO case # AB-18000531

In response to AMCO case # AB-18000531 I have installed 2 more DVR to our video surveillance system. This will give us the extra recording capacity to store the required 40 days of continuous recording. I have also changed our waste policy to report the waste the day it is created and store the waste on site in the restricted access area for 3 days before destroying.

Thank you,

While delivering paperwork from case AB 18-000531, It was observed none of the employees had Employee ID Badges on.
