RE: Regulations Project – Expiration of

This project was noticed for public comment from September 4 to October 7, 2018.

This proposal requires that public notice mandated in 3 AAC 306.025(b) be given within the 90 days preceding the submittal of all application requirements. A separate section is added to address missing application elements prior to staff review.

Potential Actions: Any substantive amendments will require the project to be put out again for public comment. Otherwise, the project may be adopted.

(d) When the director receives an application for a marijuana establishment license, the director shall determine if the application is complete. Any application for a marijuana establishment license that the director receives without the application **and license** fee is incomplete. If the director determines the application is complete, the director shall immediately give written notice to;
