

## MEMORANDUM

TO: Board Chair and Members of the Marijuana Control Board      DATE: December 20, 2018

FROM: Mikal Milton, Records and Licensing Supervisor      RE: Licensing Report

### Staff Updates and Workloads

We have added two new team members to fill out our licensing staff. Jennifer Dufresne joined us as our Administrative Assistant (AAI) on November 5th and is currently processing permit applications while Campbell Anderson is still assisting with intake of license applications during her training. Our other new team member is John Church who has filled the Occupational Licensing Examiner (OLE) position. He is currently processing the alcohol renewal applications that we have received while Carrie Craig is working on new and transfer applications. At this time Jane Sawyer and Jacqlene Drulis continue to process marijuana applications exclusively while TJ Zielinski will be splitting his time between alcohol and marijuana for the alcohol renewal period.

### Alcohol License Renewal Applications

Since our office sent out alcohol renewal applications, we have received approximately 440 applications. There have been 324 renewals deemed complete to be considered by the ABC Board.

**Timeline for New/Transfer Applications on This Agenda**

The following applications are listed in the order in which they were placed into the queue.

The average time it has taken for the applicant to receive an incomplete letter from the licensing team, from the date that the application went into the queue, is 145 days (4.8 months) which is down from 164 days (5.5 months) for new applications and 56 days (1.8 months), down from 86 days (3 months) for transfer applications.

The average time it has taken for the applications on this agenda to be determined complete, from the date that they went into the queue, is 177 days (5.9 months), previously 196 days (6.5 months), for new applications and 95 days (3 months), down from 105 days (3.5 months) for transfer applications.

I’m thrilled to report that at this time the “to be reviewed” queue for Marijuana establishment applications has been reduced to 29 applications waiting for review. Our team has been working diligently to reduce wait times and will continue to do so.
