

## MEMORANDUM

TO: Marijuana Control Board                      DATE: December 20, 2018

FROM: Erika McConnell, Director                      RE: Einstein Labs, #10082,  
Product Manufacturing Facility

The application for this license was originally approved by the board in September of 2016. The license was issued in January of 2017 and became effective on February 6, 2017.

The licensed entity, Einstein Enterprises, Inc., is owned by the following individuals:

Justin Roland - 49%  
Kenneth Knight - 47%  
Lucinda Mahoney - 4%

Ms. Mahoney did not apply for a permanent fund dividend for 2017 and submitted an MJ-18 as part of the renewal application for this license. As explained in the attached memo from Investigator Rukes, AMCO has determined that Lucinda Mahoney was not a resident of the state as defined by 3 AAC 306.015(e)(2) in 2017. Ms. Mahoney was present in Alaska only about 63 days in 2017.
