

MEMORANDUM

TO: Marijuana Control Board DATE: November 13, 2019

FROM: Erika McConnell, Director RE: Regulations Project – Application and
Marijuana Control Board Renewal Date

The board opened this regulations project at the July 2019 meeting. The purpose of this project is to clarify what document(s) the applicant is required to post at the location of the proposed licensed premises and at another conspicuous location (3 AAC 306.025(b)) and provide to each applicable local government and any community council; and to clarify the deadline for renewal applications to be submitted.

The draft proposes that the regulations are clarified to stated that the initiation of a license application through the electronic system creates a “public notice form,” and this public notice form is what the applicant posts in the two required locations and sends to local governments and community councils. In reality, this is what is actually happening. However, there has been some confusion expressed by a community council because they were not provided the full application (everything listed in 3 AAC 306.020).

In addition, the renewal section is amended to state that a renewal application and fee may be postmarked by the renewal deadline and still be considered to be submitted on time. When discussing this issue with the board at the last meeting, I did not point the board to 3 AAC 306.925, which states, “Except as otherwise specifically provided in this chapter, applications and communications of a formal nature must be submitted in writing, upon prescribed forms as appropriate, to the board at its main office, and are not considered timely filed until received there.” This section of regulation provides clarity to the question I raised at the last meeting regarding renewal applications, so if the board wishes, you may conclude that this change to the regulations is not necessary. If you do so, however, renewal applications would be considered late if the application documents and fee were not received in the AMCO office by the deadline.

This proposed regulations change was posted for public comment for 40 days, closing on October 30, 2019. One comment was received and is attached.

Options for the board:

- Vote to adopt as written
- Amend; if amendment is significant, put out for public comment
- Send back to staff for revisions
- Close the project without action

(A) the name of the applicant;

(B) the name and location of the proposed premises;

Subject: Proposed Regulations change comments
Date: Wednesday, October 30, 2019 2:25:04 PM

Here are the public comments for the Proposed Regulation changes from Midnight Greenery CEO and Director of AKCannaED Tina Smith.

OWNERSHIP OF MARIJUANA TESTING FACILITIES (3 AAC 306.015)
I am NOT in support of ANY outside marijuana related business types at this time.

APPLICATION AND RENEWAL DATES (3 AAC.306.025, 3 AAC 306.035)
I am in general support of these regulation changes.

INFANTS ON PREMISES (3 AAC 306.710)
I am in complete favor of these regulation changes

OVERLAPPING PREMISES (3 AAC 306.405, 3 AAC 306.705 3 AAC 306.710, 3 AAC 306.990)
I am in general favor of these regulation changes

TESTING OVERSIGHT (3AAC 306.100, 3 AAC 306.620, 3 AAC 306.635, 3 AAC 306.640)
I am in general favor of these proposed regulation changes

UMBRELLA CATEGORIES (3 AAC 306.520, 3 AAC 306.525, 3 AAC 306.990)
EXCEPT for specifically 306.525 (e)(1) I am in general favor of these proposed regulations .
306.525(e)(1) can be problematic for individual business book keeping and product labeling inside business records as well as waiting for the board to give them those numbers before being able to produce and distribute product to the retail establishments. I would suggest allowing the businesses themselves to assign the product numbers they choose, while being required to share those numbers along with the rest of their plan for each product being created..

Thank you for your time and consideration regarding smart business practices and regulations for our ever growing industry.
