

MEMORANDUM

TO: Board Chair and Members of the ABC Board DATE: February 19, 2019

FROM: Mikal Milton, Records and Licensing Supervisor RE: Licensing Report

Staff Updates and Workloads

We currently have two dedicated marijuana occupational licensing examiners: Jane Sawyer and Jacqlene Drulis. TJ Zielinski, who had been assisting with reviewing alcohol renewal applications, is now primarily processing marijuana applications again, due to the renewal period for alcohol coming to a close.

Alcohol License Renewal Applications

Since our office sent out 906 renewal applications, we have received approximately 820 applications, which is about 90% of the licenses due to renew this year.

Timeline for New/Transfer Applications on This Agenda

The following applications are listed in the order in which they were placed into the queue.

The average time it has taken for the applicant to receive an incomplete letter from the licensing team, from the date that the application went into the queue, is 114 days (3.8 months) for new applications and 37 days (1.2 months) for transfer applications. These numbers are down from my December 2018 report which stated that it took 145 days (4.8 months) for new applications and 56 days (1.8 months) for transfer applications to receive their incomplete letters.

The average time it has taken for the applications on this agenda to be determined complete, from the date that they went into the queue, is 161 days (5.4 months) for new applications and 111 days (3 months) for transfer applications. The time for new applications is down from my December 2018 report which showed that it took 177 days (5.9 months) before an application was deemed complete. The time for transfer applications is up this reporting period from 95 days (3 months) as listed on my December 2018 report.

At this time the “to be reviewed” queue for Marijuana establishment applications is 11 applications waiting for review. Our team has been working diligently to reduce wait times and will continue to do so.
