

MEMORANDUM

TO: Marijuana Control Board DATE: February 20, 2019

FROM: Erika McConnell, Director RE: Regulations Project – Follow
Marijuana Control Board Approved Operating Plan

The board opened this project at the August 2018 meeting. Public comments were accepted for over 30 days--no comments were received.

The change clarifies that licensees must follow the operating plan that was approved by the board. While this has certainly been the intent of the regulations and the whole licensing program, it is not clearly stated in the regulations.

Options for the board:

- Vote to adopt as written
- Amend; if amendment is significant, put out for public comment
- Send back to staff for revisions
- Close the project without action

3 AAC 306 is amended by adding a new section to read:

3 AAC 306.703. Operations. A licensed marijuana establishment shall operate in accordance with the operating plan approved by the board. The licensee may request an operating plan change in accordance with 3 AAC 306.100(c). (Eff. ___/___/____, Register _____)
