

MEMORANDUM

TO: Marijuana Control Board DATE: February 20, 2019

FROM: Erika McConnell, Director RE: Request to Revoke Handler Permit of
Wanda Gunter, #18192

Ms. Wanda Gunter was seen on video stealing marijuana products and money from Chena Cannabis in North Pole.

The licensee reports \$1,170 worth of products stolen. Video shows Ms. Gunter slipping product into a notebook or magazine on the counter, and then putting the notebook or magazine into her personal bag after a short while.

In addition, video footage showed Ms. Gunter taking money from the cash register to her car, although the cash register receipts were never off at the end of the day. The licensee suspects Ms. Gunter was not entering all products purchased by customers, but was taking their money to remove from the register later.

The Alaska State Troopers have a pending investigation into this matter.

I request the board revoke handler permit #18192 issued to Wanda Gunter.
