**MEMORANDUM**

TO: Marijuana Control Board                      DATE: May 1, 2019  
FROM: Erika McConnell, Director              RE: AK Slow Burn Cannabis Outlet,  
#11731, Retail Store

In February of 2019, the board upheld the Municipality of Anchorage's protest of this new license application with a 120-day abeyance, which expires on June 27, 2019.

Due to local issues, the licensee is concerned that he will not meet the abeyance deadline. He is requesting an extension of the abeyance period to September 1, 2019.

Re: AK Slow Burn Cannabis Outlet, LLC - License 11731 request to appear on May 1-3 MCB Agenda for Abeyance Period Extension

Dear Director McConnell and Honorable Marijuana Control Board Members:

I am writing on behalf of AK Slow Burn Cannabis Outlet, license number 11731 to request an extension of the abeyance period from the deadline of June 27<sup>th</sup>, 2019 to August 1, 2019 for the Municipality of Anchorage to lift its protest.

The applicant, Lou Weaver, has not yet received from the assembly approved Special Land Use Permit yet as this particular retail store location sits on the borders of several community councils and therefore Lou is visiting with those boarding community councils, including the community council where the facility is located and would like to include a summary of all of his community engagement in the Special Land Use Permit (SLUP) application. AK Slow Burn Cannabis Outlet is currently actively working on completing the Special Land Use Permit and is meeting with the last boarding community council in May. It is unlikely that the SLUP application will be heard and approved by the Anchorage Assembly prior to June 27<sup>th</sup>, hence the need for an extension of the abeyance period.

We would like to request an extension date to September 1, 2019 in order to receive approval from the Anchorage Assembly and lift the Municipality of Anchorage protest. Thank you for your consideration.

Sincerely,

Jana D. Weltzin, Esq.
