

MEMORANDUM

TO: Marijuana Control Board DATE: July 10, 2019

FROM: Erika McConnell, Director RE: Regulations Project – Handler Permit
Revocation

The board initiated this project in February of 2019, to expand on how and why a handler permit may be revoked.

This initial draft for board consideration proposes to repeal and readopt 3 AAC 306.812, in order to do the following:

1. Expand the reasons for revoking a handler permit to violations of statute, regulation, or municipal ordinance, not just “violations of this chapter” which is the current regulation.
2. Allow a licensee to request that the board suspend a handler permit.
3. Clarify that notice shall be provided to the permit holder at their email address.
4. Require a list of suspended, revoked, and expired permits to be maintained and published.
5. Provide an appeal provision for an individual whose permit was revoked.
6. Allow the director to suspend a permit if the applicant’s check bounces, until such time as payment is satisfactorily received.

Options for the board:

- Put out for public comment
- Amend and put out for public comment
- Send back to staff for revisions
- Close the project without action

3 AAC 306.812 is repealed and readopted to read:
