550 West 7<sup>th</sup> Avenue, Suite 1600  
Anchorage, AK 99501  
Main: 907.269.0350

**MEMORANDUM**

TO: Marijuana Control Board                      DATE: July 9, 2019

FROM: Erika McConnell, Director              RE: Tanana Herb Company LLC,  
#16091, Concentrate Manufacturing

In October of 2018 the board approved this license application with delegation. In December of 2018, the board withdrew their previous approval and upheld the City of Fairbanks protest of this new license application with a 120-day abeyance, which expired on April 23, 2019. In May of 2019 the board approved a request for extension of the abeyance for an additional 30 days to expire on June 22, 2019.

Due to the expected timeline on the Certificate of Occupancy, the licensee is concerned that they will not meet the abeyance deadline. They are requesting an extension of the abeyance period for an additional 30 days.

Anchorage, AK. 99501

To AMCO staff:

I am writing to request an extension to the June 22, 2019 deadline I was provided by the AMCO board during the April 2018 meeting of the Board. The deadline was in reference to the City of Fairbanks protest of both my licenses #16091 and #15814.

The renovations necessary to obtain the Occupancy Permit required by the City of Fairbanks are completed and have been inspected by the City Building Department officials. We are waiting on their signatures on the Certificate of Occupancy. One of the officials is on leave and we have been advised we will have the certificate early next week. Even though we should have the Certificate before the next meeting of the Board I am requesting we be placed on the agenda to request a 30 day extension for two reasons. The first is that I won't be getting the Certificate until after the deadline I was given by board. The second is that until I have it in my hand I am not going to consider this completed. We all know anything can and does happen.

Considering the above potential issues to our meeting the original deadline I would like to request an additional 30 days to complete the necessary renovations to receive the City of Fairbanks Certificate of Occupancy.

Thank you for your consideration,

Leslea Nunley
