MEMORANDUM

TO: Marijuana Control Board DATE: July 9, 2019
FROM: Erika McConnell, Director RE: Kine Co,
#17409, Standard Cultivation

In February of 2019, the board upheld the City of Houston's protest of this new license application with a 90-day abeyance, which expired on May 28, 2019.

The licensee is concerned that they will not meet the abeyance deadline due to the timing of the inspection required to receive the abeyance lift. They are requesting an extension of the abeyance period to August 1, 2019.

Re: Kine Co, LLC. - License 17409 request for Abeyance Period Extension

Dear Director McConnell and Honorable Marijuana Control Board Members:

I am writing on behalf of Kine Co - license number 17409 to request an extension of the abeyance period from the deadline of May 22, 2019 to August 1, 2019 in order for the licensee to meet all license requirements prior to final inspection.

The applicant, Jordan Agen's Fire Marshall application is in the process of being reviewed. Jordan and his team are working efficiently at the location to ensure once all required approvals are received, they can call for their inspection shortly after.

We would like to request an extension date to August 1, 2019 in order to receive approval from the Fire Marshal and receive all pre inspection license requirements. Thank you for your consideration.

Sincerely,

Jana D. Weltzin, Esq.
