MEMORANDUM

TO: Marijuana Control Board DATE: July 10, 2019
FROM: Erika McConnell, Director RE: The Naked Herbalist, #10014,
Limited Cultivation Facility

This license was approved with delegation by the board on October 28, 2016. The delegated items were resolved and the license was issued on January 24, 2017, but no inspection has been requested. The license has been in “active—pending inspection” status since that time.

At the December 2018 meeting, Mr. France told the board that he expected to be ready for an inspection in August of 2019. The board requested that Mr. France report to the board at this meeting to update the board on his progress and assure the board of his knowledge regarding regulations changes since 2016.
