MEMORANDUM

TO: Marijuana Control Board DATE: July 10, 2019
FROM: Erika McConnell, Director RE: Alaskan Cannabis Outfitters, #10057,
Retail Store

This license was approved with delegation by the board on April 5, 2017. The delegated items were resolved and the license was issued on November 22, 2017, but no inspection has been requested. The license has been in “active—pending inspection” status since that time.

At the June 2018 meeting, Mr. Bear provided an update regarding the construction of his facility. In February of 2019, Mr. Bear indicated he would need until the end of May to get an inspection. The board chair indicated that he wished to hear by this meeting that the inspection had taken place.
