**MEMORANDUM**

TO: Marijuana Control Board                      DATE: July 10, 2019  
FROM: Erika McConnell, Director              RE: Green Elephant, #11384,  
Standard Cultivation Facility

This license was approved with delegation by the board on May 15, 2017. The delegated items were resolved and the license was issued on July 6, 2017, but no inspection has been requested. The license has been in “active—pending inspection” status since that time.

At the January 2018 meeting, Mr. Dudas told the board that he anticipated being ready for inspection by July 1, 2018. In February of 2019, Mr. Dudas told the board that the security system was scheduled to be in the building in two weeks and all other items were complete.
