

Notice of Violation

(3AAC 306.805)

This form, all information provided and responses are public documents per Alaska Public Records ACT AS 40.25

Date: 4/16/19

Licensee: Alaska Growth LLC

DBA: Alaska Growth

License #/Type: Standard Marijuana Cultivation Facilities

Address: 49787 Island Lake Rd, Nikiski, AK 99635

AMCO Case #: AM190591

This is a notice to you as licensee that an alleged violation has occurred. If the Marijuana Control Board decides to act against your license, under the provisions of AS 44.62.330 - AS 44.62.630 (Administrative Procedures Act) you will receive an Accusation and Notice of your right to an Administrative Hearing.

Note: This is not an accusation or a criminal complaint.

On 4/15/19 Alaska Growth imported 11 strains of seeds into their licensed facility without submitting a MJ-27 and getting approval from the Director. On 4/16/19 I spoke to Edith Von Weltin who stated that she had forgotten to submit the form for the seeds. She did submit an MJ-27 form on the same day for immature plants that were received the same time as the seeds.

This is in violation of:

3 AAC 306.405. Standard marijuana cultivation facility: privileges and prohibited acts
(9) Introduce a new strain after written approval by the director on a form prescribed by the board, by
(B) receiving not more than 10 seeds from a person 21 years of age or older, without compensation, for cultivation on the licensed premises.

3 AAC 306.805 provides that upon receipt of a Notice of Violation, a licensee may request to appear before the board and be heard regarding the Notice of Violation. The request must be made within ten days after receipt of the Notice of Violation. A licensee may respond, either orally or in writing to the Notice. 3 AAC 306.810 (2)(A)(B)(C) failed, within a reasonable time after receiving a notice of violation, to correct any defect that is the subject of the notice of violation of AS 17.8 or this chapter.

IT IS RECOMMENDED THAT YOU RESPOND IN WRITING TO DOCUMENT YOUR RESPONSE FOR THE MARIJUANA CONTROL BOARD.

Greetings, Jeff Rukes and Joe Hamilton,
Thank you for your support while I fix the violation I incurred.

Why did I enter seed packets into Metrc before submitting and getting approval of the required MJ-27 forms – because, frankly, I did not take the time to think clearly through the complete process. I was over tired from too little sleep during a period of high stress and got caught up in details instead of focusing first on the big picture.

How can I ensure this will not happen again in the future? First, fear of losing the license or incurring a major financial fine is high on my list of potential disasters and is a strong deterrent. Also, I will review all required steps to be taken with single-minded focus before attempting any actions such as adding inventory to Metrc. And if in doubt or confused I'll contact AMCO for clarification.

In the meantime, in accordance with Joe Hamilton's instructions, I contacted Metrc. I am expecting an email with a ticket number, as well as a call later to walk me through the procedure needed to properly remove the unapproved seed packets with the required comment (seeds were entered without prior approval).

Please let me know if there is anything else I need to do.

PS: Thank you in advance for your patience. My reply was delayed at first due to moving my residence the week I received the NOV, then the past week I was quite ill and bedridden. Today, Thu 4/25 is my first day up and about.
