RE: Arctic Bakery, LLC #16006

Arctic Bakery, LLC, a Marijuana Product Manufacturing Facility, is requesting approval of amendment(s) to one of its products. Attached is MJ-15 Operating Plan Change application, and current approved product(s). Temporary approval has been granted.

Alaska Marijuana Control Board

## Form MJ-15: Operating Plan Change

### What is this form?

This operating plan change form is required for all marijuana establishment licensees seeking to change a licensed marijuana establishment's existing operating plan, as required by 3 AAC 306.100. With this form, a licensee may request changes to as much or as little as desired of Form MJ-01 and/or the corresponding operating plan supplemental for the establishment's license type. The required \$250 change fee may be made by check, cashier's check, or money order.

Please complete and submit with this form the pages of Form MJ-01 and/or the corresponding operating plan supplemental that contain sections that you are requesting to change. All fields must be completed of any page for which you are requesting changes – upon board approval, the submitted pages will replace those currently on file. If your current, approved operating plan is on the original version of the forms, you may be required to complete and submit the new operating plan forms in their entirety.

The form(s) that I am requesting board approval to change is:

- ☐ Form MJ-01: Marijuana Establishment Operating Plan
- ☐ Form MJ-03: Retail Marijuana Store Operating Plan Supplemental
- ☐ Form MJ-04: Marijuana Cultivation Facility Operating Plan Supplemental
- ☒ Form MJ-05: Marijuana Product Manufacturing Facility Operating Plan Supplemental
- ☐ Form MJ-06: Marijuana Testing Facility Operating Plan Supplemental

This form must be completed and submitted to AMCO's main office prior to changing existing operations. The licensed establishment's operations may not be altered unless and until the director has given temporary approval or the Marijuana Control Board (MCB) has given final approval of the changes. Please note that licensees seeking to change operating plans for multiple licenses must submit a separate completed copy of this form for each license.

### Section 1 – Establishment Information

Enter information for the business seeking to be licensed, as identified on the license application.
