**MEMORANDUM**

TO: Marijuana Control Board                      DATE: September 11, 2019  
FROM: Erika McConnell, Director              RE: King Street Cannabis Co,  
#20983, Retail Store

In May of 2019, the board upheld the Municipality of Anchorage's protest of this new license application with a 120-day abeyance, which expired on September 4, 2019.

Due to the expected timeline for consideration of this license by the Municipality of Anchorage, the licensee is concerned that they will not meet the abeyance deadline. They are requesting an extension of the abeyance period to December 1, 2019 or approval with delegation.

Re: King Street Management, Inc. dba King St. Cannabis Co - License 20983 request  
for Abeyance Period Extension

Dear Director McConnell and Honorable Marijuana Control Board Members:

I am writing on behalf of King St. Cannabis Co - license 20983 to request an extension of the abeyance period from the deadline of August 30, 2019 to December 1, 2019 for the Municipality of Anchorage to lift its protest.

The licensee has not yet received from the assembly an approved Special Land Use Permit for the retail facility. King St. Cannabis Co has completed and submitted their SLUP application with the MOA and has been deemed complete. The next step is for King St. Cannabis Co is to appear in front of the Anchorage Assembly for the assembly to review and vote to either approve or deny the retail license at hand. King St. Cannabis Co is scheduled to appear on the October 8<sup>th</sup>, Assembly agenda. King St. Cannabis Co is working efficiently at the location to ensure once all required approvals are received, they can call for their inspection shortly after.

We would like to request an extension date to December 1, 2019 OR alternatively, approve the license under the newly codified regulations allowing you to do so.. Thank you for your consideration.

Sincerely,

Jana D. Weltzin, Esq.
