Request for Clarification-

Enforcement has found that some licensees are advertising and labeling their business different than what the board has approved and what is on their business license.

3 AAC 306.020(b)(1): An application for a new...license must include “(1) the name of the applicant and any business name the applicant will use for the proposed marijuana establishment, along with the applicant's state business license number issued under AS 43.70;”

3 AAC 306.100(c): “The non-refundable fee to request board approval of a change in a licensed marijuana establishment's business name, ownership, licensed premises diagram, operating plan, or proposed new marijuana product is \$250. A change fee does not apply to an application for transfer of a license or a transfer of controlling interest to another person.”

How close must a business adhere to the name they put on file with AMCO and on their business license?
