Thank you for reaching out! I am excited to say I have most of this payment ready and the remaining I will have squared up by the middle of the month! (Regarding licenses 11519 and 10147)

As we enter into the summer months, I am so excited to be in a much much better place now then I was a year ago today! My most sincerest apologies regarding the delinquency that I have a track record of accumulating, I am so very confident I am getting to a place where this will be a thing of the past!

There is so very much involved in successfully running a cannabis company, especially as aggressively as I am expanding (working on our third garden currently, as well as scouting out multiple additional retail locations!) But I am as proud of my shortcomings as I am of my successes, and to not have a single cent backing me and creating the amount of business that I am. I am so so grateful everyday to be in this wonderful industry in our great state!

My recipe to success is as follows: Self Awareness, Gratitude, Empathy and Accountability. Those 4 traits are the greatest tools to have navigating not only business, but life.

Much love to you all as I look at the excise tax as the "Cost of entry" and it provides "protection" to me that allows me to do what I love everyday. That license on my walls is so so valuable, it represents much more than my ability to produce and transact cannabis in Alaska, but it is an extension of my personal happiness. For that I'll be forever grateful for!

I hope you have faith in me, as I have proven last year, on multiple occasions that I will always do what I can to get the job done. I have no ill intentions anybody may have for me, and as "houts on the ground" please don't let me down in our industry, as I am so happy to help anyway I can!
