On February 6th, 2019 numerous complaints of marijuana odor emitting from Great Northern Cultivation, Inc. were reported to the State of Alaska Alcohol & Marijuana Control Enforcement Office. The odor was detected in the afternoon hours by AMCO investigators.

The wind was gusting from the northeast of Great Northern Cultivation, Inc. This is a violation of:

Re: Great Northern Cultivation, Inc. (License #10747)
Response to Notice of Violation
AMCO Case # AM190252

Dear Investigator:

Great Northern Cultivation, Inc. (GNCI) is writing in response to the Notice of Violation (AMCO Case # AM190252) received from the Alcohol & Marijuana Control Office dated February 6, 2019. We thank you for your efforts and for bringing this matter to our attention. GNCI takes regulatory compliance seriously and takes pride in being a good neighbor.

The Notice of Violation states in part that "On February 6, 2019 numerous complaints of marijuana odor emitting from Great Northern Cultivation, Inc. were reported to the State of Alaska Alcohol & Marijuana Control Enforcement Office. The odor was detected in the afternoon hours by AMCO investigators". GNCI is disappointed to learn of the complaint, as we take regulatory compliance and being a good citizen and neighbor to heart.

Upon receipt of the NOV, we emphatically moved forward with replacing all 24 of our 100 percent carbon filters. At the time the NOV was received, we had already ordered replacement carbon filters which arrived at our facility the very same day as the NOV. On February 7, following the replacement of each of the carbon filters, we self-inspected the premises for odor and were unable to detect any marijuana odor at the lot line. On February 8, we again checked for odor around the lot line of the facility to confirm that marijuana odor was undetectable and in compliance with state and local requirements.

GNCI encourages AMCO to re-inspect the premises and to share their findings with the company. If AMCO finds any evidence of marijuana odor at the lot line, we respectfully request that you let GNCI know immediately so that we can reassess the situation and take additional corrective measures. However, GNCI is confident that odor is no longer an issue, and in that case, requests that no further action be taken with respect to this Notice of Violation.

Thank you for your time and attention. Please do not hesitate to contact me directly if you have any questions or if you need further information.

Sincerely,

Great Northern Cultivation, Inc.
