Hi Jason,

Attached is the NOV. Just to reiterate what we talked about on the phone, we are concerned that there might be unlicensed grows near our facility that our causing marijuana odor.

We have had a complaint before that was reported to the Mat-su borough and when they came out to our facility they said that everything was fine and no further action was taken. This leads me to believe that it may be possible the odor may be being emitted from somewhere else.

We will look at our odor control system again and make sure that everything is working correctly.

Thanks for your time,  
Branden
