On 12/14/18 licensee Mike Emers reported on 12/13/18 his product was manifested (Manifest # 0000571301) and transport to a marijuana retailer, AK Joint License #11614, to be held for transfer the following day (12/14/18) to Hollyweed 907 Product Manufacturing License #11304. The product could not be transferred to Hollyweed 907 Manufacturing from a Retail license holder per the provisions of Sec. 17.38.070 (a) (1-6) Lawful operation of marijuana-related facilities and 3 AAC 306.305 Retail marijuana store privileges.

Review of the manifest in METRC and the signed copy showed conflicting information. The time of departure on 12/13/18 on the signed manifest is 08:00 am and the METRC copy shows 10:30 am. Both show an approximate date and time of arrival of 12/12/18, a day prior to the departure time. The signed copy shows the product was accepted by AK Joint on 12/13/18 at 9:40 (am or pm unknown); yet the METRC copy reflects the product was not accepted in METRC by AK Joint until 12/14/18 at 12:24 p.m.

This is a violation of 3 AAC 306.330 (a-b) Marijuana inventory tracking system, 3 AAC 306.750 (e) Transportation and 3 AAC 306.755 (8) Business Records

3 AAC 306.805 provides that upon receipt of a Notice of Violation, a licensee may request to appear before the board and be heard regarding the Notice of Violation. The request must be made within ten days after receipt of the Notice of Violation. A licensee may respond, either orally or in writing to the Notice. 3 AAC 306.810 (2)(A)(B)(C) failed, within a reasonable time after receiving a notice of violation, to correct any defect that is the subject of the notice of violation of AS 17.8 or this chapter.

Concerning AMCO case # AM18001503.

Response to Violations and Charges on section 3 of form MJ-20; 2019 Renewal application for Alaska Joint Ventures LLC, DBA: AK Joint.

On Friday 12/14/18 at 2140 product was incorrectly manifested to AK Joint from Rosie Creek Farms. Attempts were made to contact both the cultivator and Amanda Stonecipher by telephone to notify them and trouble shoot the situation. Given the late hour and the delivery driver's need to continue on route and maintain manifested delivery times to other licensees the decision was made to hold the product under camera in our secured marijuana storage area and wait for direction from either the cultivator or AMCO enforcement. After not receiving a response from either party the following morning the product was "received" into METRC. Hence the time/date indicated on the hardcopy of the manifest did not match the electronic version.

On 12/15/18 Mike Emers, the cultivator from Rosie Creek Farms, indicated that Amanda Stonesipher, returned his voicemail and instructed him to have all product returned to his facility.

At no time prior to the issuing of this Notice of Violation did a representative of AMCO contact us to determine the facts in this situation. Nor did we receive instruction from AMCO or Amanda Stonesipher, the enforcement office investigating the problem and issuing the NOV, on how to resolve the issue.

Due to the electronic delivery of this NOV and the Christmas holiday, this NOV went unnoticed and unaddressed until after the 10-day response period.
