Re: NOV Case No: AM190614 – Will's World License No: 12448

Dear Honorable MCB Members, Director McConnell and Enforcement Team:

My client Dayle Little, designated licensee for Will's World, received the NOV number referenced above dated April. 19th 2019. The NOV states that on April 18th, 2019 an Alaska State Trooper detected and reported the odor of marijuana coming from Will's World cultivation facility.

Both Dayle and Bill, licensees of Will's World, understand the responsibility they hold as marijuana licensees to ensure their facility does not disrupt the neighboring community as well as emit any marijuana or strong odors from the cultivation facility. In order to remedy this issue and make sure it does not happen again, Bill and Dayle will be conducting an extensive filter check to ensure all filters are properly working. Additionally, Dayle and Bill or a designated employee, will perform daily smell tests by circling the facility on foot to detect any odor emitting from the building.

Will's World understands the concerns of this violation and are quickly working on the remediation of the emitting odor. We appreciate Enforcement's ongoing support and hard work.

Respectfully Submitted,

Jana D. Weltzin, Esq.
