Hello AMCO Enforcement and Board Members,

I hope you find yourselves healthy and well in these strange times. There was recently a letter posted at the end of the agenda on this last meeting about me and Mr. Izon. In that letter there were accusations about myself misappropriating tax funds for my business and I would like to use this moment to shed some light on this topic

Regarding the New Year's Eve party: The fireworks were donated by Arora Engine Repair for the enjoyment of the community. Any hats, pins and other apparel were donated by DTS as we have promoted their business of security and cameras over the last few years and have helped them obtain enough customers that they wanted to help us create this special event for our community. All artists that performed donated their time for community enjoyment and we can provide all receipts, invoices and testimony from performers and other companies involved if needed.

Regarding our taxes: Our tax payment program is up to date, and we have been paying off our outstanding taxes as required by the board. We have in the last 12 months been able to clear up \$219,000 of non-re-occurring debt that has allowed us to stay in business and meet all the state's mandates. If needed, we can supply invoices where these debts were cleaned up with vendors. We are making headway and upholding every one of our obligations with the AMCO office and the DOR.

On average, at any given time, there are 6-10 vendors in the industry that owe us \$50-\$70k that we are collecting on. There has been a plan since day one with the use of our Pro Forma, that has put us on a plan to come out of this debt and we are on track. We have offered to show this plan to the board, no one has taken us up on this offer, but the offer still stands. We just request that to happen in a closed meeting.

I am here to present facts in order to dispute the blatant lies that were presented about us from others within the industry. Thank you for your time and attention to this matter, it is important to us not only to remain in good standing with AMCO but also to address the negative light that this anonymous letter has attempted to put us in. At any time, we can speak about any issues brought up in the meeting. My business partners and I look forward to speaking with you soon.

Sincerely,

Linden Anson & the partners of Alaskan Blooms LLC
