

Enforcement Priorities – ABC and MBC Enforcement Meeting September 2020

Purpose: Well-defined priorities and consistent enforcement ensure that legitimate, taxpaying business people will be the ones operating licenses in a manner that keeps alcohol and marijuana out of the hands of underage persons and degrades illegal markets. AMCO staff will continue to enforce all applicable statutes and regulations, relying on the language of the applicable statutes and regulations; the enforcement priorities set forth in this document are designed to assist AMCO staff with focusing resources to meet their responsibilities to the boards and the public.

Marijuana Control Priorities (Ranked most important to least important)

1. Sales to minors/underage persons/furnishing to minors
2. Illegal/unlicensed Marijuana Cultivations
3. Diversion of products (in and out of the premises)
4. Undisclosed Financial Interest
5. New license Inspections
6. Renewal Inspections
7. Odor Complaints
8. Annual Inspections & walk throughs
9. Community outreach & training for licensees
10. Handler Education Violations
11. General Complaints
12. METRC Violations
13. Sales to drunken persons
14. Advertisement Violations
15. Training for LE agencies
16. Coordinate retail enforcement efforts with AST and local LE during maximum enforcement periods to help decrease DUI and DUI-related accidents

Alcohol Beverage Control Priorities (Ranked by AMCO most important to least important)

1. Sales to minors/underage persons/furnishing to minors
2. Over Service/Sale to Drunken Person
3. Illegal sales by unlicensed facilities/sellers/Bootlegging
